DISCUSSION: A discussion was held to identify upcoming events to assist Ms. Knisley in scheduling coverage so that the events could be shared in the Newscaster and on the CV website. New employees were identified so that they could be recognized in the next Newscaster. Ms. Knisley will be working with some administrators on updating their biographies and photographs. The survey that the IT department is doing on the website was discussed. Other possible updates to the website such as a facebook page, a photo gallery, and a data dashboard were also discussed.
