

CVCSD Emergency Early Dismissal Procedure:

During an EMERGENCY dismissal, students will be sent to their NORMAL location for that day. Pick-up and Fun Club students will be sent to their home addresses. Parents/guardians out of the district will need to contact their respective office, if they have not yet done so.

We would highly encourage parents/guardians to sign up with CV's emergency alert system. This can be done on the Chenango Valley Central School District website.
