Don's Auto donates car to Post Prom Party

At the end of the post-prom party, Connor Brady was the lucky winner of a shiny red Chevrolet Cobalt donated by Don's Automotive Mall. This is the 27th year Don's has donated a car to the Chenango Valley post-prom party...wow!

To be eligible to win the car, students must attend -- and stay -- at the post-prom party for the duration of the event. The party provides students with a safe and fun environment well into the morning hours after the prom.

Thank you, Don's Auto, for your tremendous generosity!

Students study DNA Profiling

Recently, Mr. Reed's Genetics class conducted a paternity test to help solve a simulated rape case. Students used DNA gel electrophoresis to analyze DNA samples to determine the father of the baby. The students took DNA samples from the mother, baby, and the suspect and digested the DNA into small pieces by incubating it in the presence of restriction enzymes.

The restriction enzymes were used to cut the DNA molecules at specific sequences and generate fragments of various sizes. Then, agarose gel electrophoresis was used to determine the size of the DNA fragments. An agarose gel is a complex maze with very tiny channels. Since DNA has a negative charge, it will move toward the positive pole in an electrical field; shorter pieces of DNA move easily through the agarose gel and therefore travel a greater distance than the larger fragments.

A fluorescent probe was used to visualize the DNA and the students observed the DNA under a UV light. Based on the final results of all the groups' gels, the students were able to infer that the suspect was the father of the baby in one case since the suspect had DNA in common with the baby; more testing would need to be done to make a definitive argument in this case. In the second case, the suspect was found to not be the father of the child since there was no DNA in common with the baby and therefore, no further testing would need to be done.

Above, Mr. Reed demonstrates the process of DNA analysis.

CV Senior High School

WOW...the 20105-2016 school year is already over! Exams are graded and recorded. A wonderful graduation took place on June 24, and we say goodbye and good luck to the Class of 2016. The old saying proved to be true, "Time flies when you're having fun!"

I want to thank all the students in grades 9-12 for a great school year. I especially want to thank the Senior Class for leading the students and being positive role models. The student body at Chenango Valley is very special. Our students excel in academics, athletics and in the visual and performing arts. We have great students who want to enjoy their school experience at CV, and the Class of 2016 took full advantage of all that was offered to them.

I would like to thank all those professionals who make Chenango Valley a special place to be. Teachers, staff, custodians, bus drivers, kitchen staff, and of course our students make Chenango Valley a top notch school district.

It won't be long before we will begin to think about September, and the upcoming 2016-2017 school year. BUT NOT YET! Have a great summer vacation. Relax and enjoy yourselves. See you in the fall.

- Terry Heller, HS executive principal

3 earn Eagle Scout rank

Three CVHS juniors, Bradley Blewitt, Zach Carr and Sam Hatton, recently achieved the ranking of Eagle Scout as members of Boy Scout Troop 199 in Hillcrest. A fourth student, Eric Castellucci, is currently working on his Eagle Scout project at the Hillcrest Community Association Park. The scouts are led by Troop Leader Jerry Hatton.

The American Legion in Hillcrest was the recipient of two of the Eagle Scout projects, with Sam Hatton building an outdoor shelter, and Bradley Blewitt planting new landscaping in the front of the facility. Zack Carr created library stations throughout the area for residents to share books.

Congratulations to all on this outstanding achievement!

Junior Honor Society Awards

For the first year ever, the National Junior Honor Society awarded students with an Outstanding Achievement Award that included a college savings account of \$500. Four CV students, pictured above, were among the 500 students selected for this award. Congratulations and keep up the hard work! From left to right: Adviser Ms. Church, Taylor Potenziano, Brittany Kropp, Eric Brom.

Military-bound seniors honored

Four graduating seniors entering the U.S. military this year were honored at the annual "First to Say Thank You" event co-sponsored by the Kiwanis Club of Conklin and Our Community Salutes of Broome County. The event, held this year at Susquehanna Valley High School, honors all area high school seniors headed for military service after graduation.

Message from the superintendent

Dear CV community,

This is our special graduation issue of the district newsletter. What an exciting time for our seniors who are now Chenango Valley Alumni! As you may know, we are working hard to create a CV Alumni Association. We are hoping to capture as many graduates into this organization to celebrate the education, values, and friendships established while attending CV. Look on our website - and page 5 of this newsletter - for more information on how to become a member, as well as an active member of this organization!

Thank you CV community - students, staff, parents, and CV residents - for the support given to our youth and families of Chenango Valley. We continue to make great strides in living out our mission to inspire, engage, and empower our students to be life-long learners and productive citizens. Our staff continues to work tirelessly to support our students, their families, and our community. Our students continue to impress us with their growth in learning and continued respectfulness and appreciation toward those supporting them. Our parents continue to support our initiatives with positive capital project, budget, and bus referendum votes. Our core belief that children are our first priority continues to guide our CV community.

I am proud of the graduating Class of 2016! Each class has its own uniqueness. Members of the Class of 2016 were hard working, kind and respectful, and believed in giving back to their community. Their accomplishments and the standards they have set for classes that follow are set high. When I look at their future plans it makes me proud of each and every one of them and the positive role Chenango Valley has had on them. Some students are heading to the military, some to the work force, and some to higher education or further job training. My hope is that we have prepared them for an exciting and bright future. As I see my own children grow and seek new adventures, it reinforces to me the importance of time - how precious it is and how sadly we abuse it. I challenge each of us to appreciate time - time with family, time with friends, time spent on reading, time engaged in good conversation, time appreciating what we have instead of focusing on what we don't have, and most importantly, time to enjoy life and the appreciation that we are the CV community!

Sincerely,

David P. Gill

Chenango Valley Educational Loan Fund

The Chenango Valley Educational Loan Fund was incorporated on January 9, 1956 as a successor to the Rodman Student Loan Fund. The Rodman fund was initiated in 1937 through the efforts of Esther Rodman, then president of the Port Dickinson P.T.A., for loans to students of that school for use in obtaining advanced education. With the formation of the Chenango Valley Central School District and opening of the new Jr. Sr. High School it was felt that needs of worthy graduates could best be served by a single organization. It was decided to include this fund with the newly organized CVSE Fund and \$1,200 was turned over in May 1956. Soon after, \$500 was raised in the Nimmonsburg area as a memorial tribute to Mr. Fred Rummer, a custodian for many years at Nimmonsburg school.

Over the years, thousands of Chenango Valley graduates have benefited from the loan fund. Interest-free loans of up to \$700 have been distributed to seniors to help defray the cost of secondary education. In 1985, community residents Barb McEnaney and Pat Demer joined the fund to handle the business end of the loans. Barb and Pat donated their time along with Faline Howard, who handled the secretarial responsibilities. This past year our dear friend Barb passed away after a courageous battle with cancer. She touched many members of our community over the years with a smile and encouraging word. In memory of Barb, all of us associated with the fund throughout the years will never forget her dedication and support of the students of Chenango Valley.

This year, along with Barb's support, the Loan Fund transitioned to the Chenango Valley Scholarship Fund. A total of \$4,000 was awarded to eight deserving seniors to help them meet the financial needs of college. The fund looks forward to many years of continuing support to our students.

Board of Education President's message

Well...that's a wrap! Another school year closes at Chenango Valley. And what a school year it was! For me, it's been a blast to be part of such an active and uplifting school community. Just think over the past year: Rally in the Valley, Zombie Run, Literacy, Science, and Math Nights, new STEAM programs, Odyssey of the Mind competitions, band concerts, Spring Musical, art awards, Wax Museum, science fair, sports banquets, Community Night, rising test scores, ramp projects, security upgrades, paving projects, athletic field improvements. And the list goes on and on and on. There is simply too much for this one short article.

In addition, we have said a sad farewell to several dedicated teachers and aides, but offered a cheery hello to some young and energetic newcomers. What a great time to be a Warrior!

The future will indeed present some stiff challenges for our little educational community on the Chenango River. But we have innovative and strong leaders poised to meet any and every challenge.

So on behalf of the Chenango Valley Board of Education, I wish a super and safe summer to one and all. Let's all – parents, students, and teachers - come back in September relaxed, refreshed, and ready to take this district to the next level. We can do it! And I, for one, look forward to seeing each and every one of you at next year's games, concerts, and other school events throughout the upcoming school year. Until next time, I am Stu Elliott, President of the Chenango Valley Board of Education.

Stu Elliott, President Board of Education

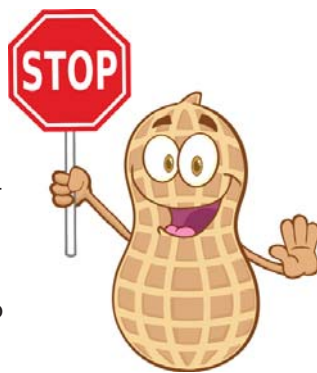

Pre-k & kindergarten registration

If you have a child who will be four or five years old by December 1, 2016, please call the appropriate number below to be placed on a mailing list to receive registration information for pre-K or kindergarten.

Age 4/Pre-K: 762-6975 OR Age 5/Kindergarten: 762-6970

Please note: If your child was in the pre-K program at Port Dickinson for the 2015-2016 school year, he/she will automatically be enrolled in kindergarten beginning in September 2016.

Important message from our Health Office

There are students in the Chenango Valley School District who have a severe allergy to nuts, peanuts and peanut products. Strict avoidance is the only way to prevent an allergic reaction. The allergy can be life threatening.

In an effort to provide a safe learning environment for these students, we ask that you do not send in any foods which contain these items: nuts, peanuts and/or peanut butter or for your student to snack on during the school day. Peanut/nut products may be in your child's lunch, but must be eaten in the cafeteria and not in the classroom, hallway, or school bus, including sporting events and field trips. Your cooperation in this matter is greatly appreciated.

Congratulations Retirees

Middle School

Eric E. Attleson, principal
CV Middle School

This school year has truly lived up to our theme, "The Year of Awesome." I would like to sincerely thank the students, faculty and support staff for making this a truly memorable year.

The 49th Annual Physical Education Track and Field Days were held June 2 at Chenango Forks, with 123 CV students and 102 CF students participating. A huge thank-you goes out to CF for hosting this event during our track renovation. Thanks to all the sixth-grade teachers and physical education teachers from both schools who helped run the event. Special thanks to Mrs. Price and Mrs. Lyons for organizing the event.

The eighth-grade trip to Baltimore/Washington DC June 8-10 was an incredible experience. On Wednesday, we arrived at Baltimore Inner Harbor and toured the Baltimore Aquarium and Zoo. On Thursday, we went to the Udvar Hazy Space Center and then to the U.S. Capitol for a tour arranged by CV alumna Heather Higginbottom. We then had a walking tour of the Washington Monument, the White House South Lawn View, and the WWII, Lincoln,

Vietnam and Korean memorials. We visited Hershey Park on the way home Friday. The students all had a fantastic time. Special thanks to Mrs. Balles, Mrs. Schmitz, Mrs. Dunn, Mrs. Pagliarella, Mrs. Riquier, Mrs. Allen, Mrs. Bigelow, Mrs. Schmits, Mr. Stocum and Mr. Stanton for chaperoning the trip. Lastly, I would like to thank and commend the students for their outstanding behavior on the trip.

The 26th annual Middle School Academic and Achievement Awards were held on June 20. Students were honored for their successes throughout the school year. A big thank-you goes to our Middle School Awards Committee, and especially to Mrs. Balles and Mr. Stanton for organizing the program.

I wish the eighth grade students much success as they enter their freshman year of high school. We also look forward to seeing the incoming sixth-graders and the returning seventh and eighth-graders at the annual Middle School Picnic/Orientation on Aug. 30 at 5 p.m. in the MS cafeteria. Student schedules, homeroom assignments and locker assignments/combinations will be handed out at the picnic.

I would like to sincerely thank the entire Middle School community for its continued support throughout the school year. I wish you and your families a safe and relaxing summer.

Upcoming Events in the Middle School:

- Aug. 8 - Letters mailed home with back-to-school information. Please check the website for school supply information.
- Aug. 30 – Middle School Annual Picnic/Orientation – 5 p.m. in the MS cafeteria.
- Sept. 7 – First day of school.

- Eric E. Attleson, Middle School principal

Engineering Day at Lockheed Martin

Several eighth-graders participated in Lockheed Martin's Engineering Day program April 29 at the company's facility in Owego.

Drug Quiz Show competition tests students' knowledge

On Saturday, May 7, Chenango Valley Middle School participated in the annual Elks Drug Quiz Show, held at the Johnson City Courthouse. The competition tests students' knowledge of a wide variety of topics including: alcohol, tobacco and other drug information, bullying, communication, stress and stress management, conflict resolution, decision-making, feelings, nutrition and over-the-counter and prescription medication.

Kendra Potenziano, Faith Riegal, Connor Frey, Luke Hoyt, Tommy Eccleston, and Zack Stanton all represented Chenango Valley at the competition as the team "Pugs Not Drugs" and was very competitive in all of their matches. CV competed against teams from Cortland and Avoca, NY. Congratulations to the team for all of their hard work and effort!

- Matt Stanton, Drug Quiz Show Advisor

Senator Akshar visits Chenango Valley

New York State Senator Fred Akshar made a special visit to Chenango Valley this spring to tour our facilities and observe students demonstrating a variety of STEM activities. The senator also met with a panel of teachers and administrators to discuss issues and statewide initiatives in education.

Students in second and fifth grades came to the high school's new Lego Lab to demonstrate activities for Sen. Akshar. The second-grade students showed him an engineering challenge they had to do creating a structure out of pipe cleaners. They were tasked with making it as tall as they could in 10 minutes using just 10 pipe cleaners. They also demonstrated their Scratch Jr. programs, which is an app that teaches beginning coding skills, using drag and drop menus to create programs of short videos.

The fifth-graders showed their capstone challenge from their robotics lessons, in which they had to design and build a robot that would collect "environmental waste" (colored blocks) and move it to the drop area while not going in the water.

High school students demonstrated two activities using Lego Mindstorm kits. Ian Keldon showed his robot that uses sensors to follow a black line autonomously based on its programming. The other students demonstrated their robots by having a sumo wrestling match, in which two robots started on opposite sides of the circle and tried to push each other out of the circle. Each team had to create a robot that would be best suited to win the match.

I-r: Luke Gillette, Lucas Morgan and Garrett Andersen demonstrate the robot they programmed to perform a task.

Student ideas earn top awards at Invention Convention

Each school year, Chenango Bridge Elementary School participates in the NYS Invention Convention, a statewide invention education program and competition that encourages students to submit an idea for a creative invention. Students entering the competition are required to give their invention a name, explain how it works, and provide an original drawing of the idea. We're proud to announce that 13 Chenango Bridge students were selected as semi-finalists in the regional competition and advanced to the finals at Binghamton University on June 3. For the final competition, the students were asked to make a model /prototype of their invention. Our semi-finalists and their grades and classroom teachers are listed below:

Madelyn Kori Hayes, grade 3, Gleason
Gabriella Jones, grade 3, Liburdi
Grace Sabol, grade 3, Cortright
Jessica Matson, grade 4, Campbell
Andrew Clark, grade 4, Gates

Hannah Woolson, grade 4, Gates
Kamryn Hoyt, grade 4, Gates
Robert Kelsey, grade 4, Gates
Addisyn Charpinsky, grade 4, Van Houten
Kyle Santi, grade 4, Van Houten

Elizabeth Eggleston, grade 5, Ryder
Garrett Andersen, grade 5, Smith
Brenna Atkinson, grade 5, Smith

Top award winners

Special congratulations to the following students, who earned top awards in the finals:

Garrett Andersen - 1st Place
Invention: "Baby on Board"

Jessica Matson - 2nd Place
Invention: "The Storm Saver"

Brenna Atkinson - Prototype Award
Invention: "The Music Pillow"

Grace Sabol - Prototype Award
Invention: "Jewelry Hanger Tech Charger"

Hannah Woolson - Prototype Award
Invention: "Homework Helper 2000"

Top award winners in the Invention Convention, I-r: Grace Sabol, Brenna Atkinson, Garrett Andersen, Jessica Matson and Hannah Woolson.

Fourth-graders visit Syracuse Zoo

The entire fourth grade traveled to Syracuse June 10 to visit the Rosamond Gifford Zoo. They had beautiful weather and a great time!

Chenango Bridge Elementary

Mary Beth Hammond,
Principal

It has been an exciting, busy school year at Chenango Bridge Elementary. We have worked very hard academically, musically, and athletically, while building friendships and challenging ourselves to be the best we can be. There are many people who have made this school year successful. Thank you to our faculty, our staff, our families, and our students who work each day collaboratively and positively for the betterment of our school.

The faculty and staff at Chenango Bridge would like to wish our fifth-grade students the very best as they transition to the Middle School for the 2016-17 school year. These children have learned so much as students and as people in their elementary school years, and we are confident that they will be successful in their transition to the Middle School. Keep up the awesome work!

We are looking forward to a brand new group of third-graders entering CB Elementary in the fall. Our current fourth-graders students will now have a huge responsibility in providing leadership in our school. We know that they will positively contribute to the awesome learning experiences and build terrific friendships at CB Elementary.

It is so important to also recognize and extend a very warm "thank you" to two Chenango Bridge Elementary staff members who retired this year in June: Mrs. Cheryl Ryder, grade 5 teacher and Mrs. Amy Hastings, special education teacher. Both of these individuals have had a positive impact on our school and community and will be missed very much.

It is an honor and privilege to work in such a terrific school and community. Have a fantastic summer with your family and friends. Enjoy the sunshine! Have fun! We'll see you on September 7 for the start of the 2016-17 school year.

- Mary Beth Hammond, Chenango Bridge principal

Wax Museum show brings historical characters to life Special performance includes Mrs. Ryder, who retires this year

In a lively, humorous show, fourth-graders at Chenango Bridge Elementary School brought famous people from history to life this week in the school's annual Wax Museum show. Students portrayed important historical figures on stage, coming to life as the spotlight turned on them. Dressed as their selected person, each student gave a brief summary of their character's life. The show, written by Mrs. Vesci, was tied together with dances, music and jokes.

This year, retiring fourth-grade teacher Cheryl Ryder was part of the show, portraying her favorite author, Laura Ingalls Wilder. Mrs. Ryder (whose great-grandfather Dr. James Naismith invented basketball) has used her interesting family history in her classroom throughout the year to teach her students about life in America and the growth of our country. Portraying Laura Ingalls Wilder, she spoke about her love of reading and writing, and the importance of sharing stories from generation to generation.

District News

State auditors praise district for Capital Project handling

New York State auditors recently released a report praising Chenango Valley for its management of Phase 1 of the current capital project. The report states that the district provided transparent and thorough information to district residents regarding the project scope, costs and financing. The report also commended the district for negotiating significant cost savings over initial estimates on specific aspects of the project, and for proper documentation and control of change orders.

Pictured below is our newly-renovated athletic facilities. Work on the stadium and track was completed in time for graduation.

Tech-savvy staff hold App Smackdown

The inaugural Chenango Valley 6-12 App Smackdown was held April 11 at the Middle School/High School joint faculty meeting. Participants were tasked with presenting one app with educational purposes and one that could either be educational or of personal interest. Five brave teachers participated in this first one: Dave Tidick (Kahoot and Class Dojo), Kate Buttino (ZipGrade and 7 Little Words), Mary Maraski (CamScanner and Wegman's), Katie Ginalski (Chempro and Word Bubbles), Mike Breed (Quizizz and Kahoot).

Based on the Applause Meter, chemistry teacher Mrs. Ginalski won the App Smackdown.

Using the very scientific method of a manual applause-o-meter, Mrs. Ginalski emerged as the winner and received the trophy and a gift card. Mr. Heller also won a gift card for having the most teachers participate which he graciously gave to the second place winner, Mary Maraski. We are looking forward to a repeat challenge at the elementary buildings soon. (Note: No ipads were harmed in the creation of the trophy. A broken, replaced under warranty, properly disposed-of iPad, destined for recycling, was upcycled into the beautiful trophy thanks to the stylings of AJ Cass and Bob Zanut.)

Hillcrest Rotary donates books for incoming kindergartners

Members of the Hillcrest Rotary presented a children's poetry book to each one of our pre-K students as part of an initiative with the Family Reading Partnership. The students were encouraged to read the book over the summer, and when they start kindergarten in September, their new teacher will read from the same book. The children loved their new books.

· FLAG DAY ·

A PORT DICKINSON TRADITION

Ice Cream Stand project teaches valuable skills

A group of second-grade students worked with STEM teacher Mrs. Mika to create an Ice Cream Stand, with proceeds benefiting the Broome County Humane Society. The project was a great way to give students a hands-on learning opportunity that helps build skills in collaboration, creativity, critical thinking and problem-solving.

The children did an outstanding job planning and executing the project. Selling ice cream during two lunch blocks, they raised \$271.25, which will be used to purchase dog food and cat food at the request of the BC Humane Society.

Special thanks to Suzy Q's in Hillcrest for donating the ice cream.

Port Dickinson Elementary

Jim Pritchard, principal,
Port Dickinson Elem.

This has been a very busy spring. We would like to acknowledge the retirements of a few of our faculty members here at Port Dickinson: Beverly Frappier, Cindy Cook, Judy Daniels, and Debbie Wheeler. Together they have over 95 years at Port Dickinson! All four of these support staff have dedicated their lives to helping our young students here in their role as child-assigned aides or program aides. They will all be greatly missed by both students and staff.

We had a very successful Field Day, thanks to the PTA and event chairperson Kate Larnerd. We had blowup slides, face painting, a DJ and a talent show put on by the faculty. The day was perfect and the children really enjoyed themselves. By the time they loaded the buses at the end of the day they were exhausted. Thank you to all who helped make this event possible.

Members of the Hillcrest Rotary Club, Mr. and Mrs. Snyder and Mr. Moran, came to our pre-kindergarten classes to present a book to each student, through a program sponsored by Hillcrest Rotary and the Family Reading Partnership. The program encourages young children to read by giving them their own book to keep. This year, the

book was "Here's a Little Poem" by Jane Yolen and Andrew Fusek Peters, a collection of poems that captures a very young child's intense delight in daily experiences and routines.

Again this year, we would like to recognize Mr. and Mrs. Edward Corcoran for their volunteer work at Port Dickinson. (See article below.) Ed and his wife Kay volunteer their time to teach the children about plants and about the life cycle of a plant. The children have the opportunity to plant their own seeds and watch them grow into plants. Once the seeds begin to grow, the Corcorans help the students plant their flowers in the Children's Garden at Port Dickinson Park. If you get the chance this summer, take a look at our beautiful flowers in the park.

Finally, I would like to thank the Thompson family. Sarah Thompson and her family each year donate their time and some flowers to plant a garden in front of Port Dickinson's sun dial. It definitely brightens our world here on Chenango Street. We are very appreciative of our parents in Chenango Valley.

We at Port Dickinson want to wish you a safe and fun filled summer. We look forward to seeing you all in September.

- Jim Pritchard, Port Dickinson principal

Student-grown seedlings brighten Port Dickinson Park

After learning about seeds and plants from volunteers Ed and Kay Corcoran, students in several Port Dickinson classes planted seeds in cups and tended to the sprouting seedlings in their classrooms.

Once the seedlings were big and strong enough for transplanting, the Corcorans helped the students plant them in the Children's Garden at Port Dickinson Park.

2 from CV win State Excellence in Teaching Award

Congratulations to Chenango Bridge physical education teacher Teresa Price and CVHS technology teacher A.J. Cass were among 65 educators statewide honored with the Empire State Excellence in Teaching Award from New York State Governor Andrew Cuomo's office. They are the only Broome County recipients of the award, which recognizes teachers for their dedication, expertise and excellence.

RoAnn M. Destito, New York State Commissioner of the Office of General Services, visited CVHS June 23 to present Mrs. Price and Mr. Cass each with a plaque and a check for \$5,000 to be used for future professional development.

Mrs. Price is well-known for starting initiatives aimed at getting students moving, such as the Let's Move Mileage Club, where students come to school early to walk or run before the school day, the Drums Alive program that utilizes fitness balls and drumsticks, and the Math in Motion program to provide a fun way for students to learn math facts. She is also a varsity tennis coach, and is a coach and trainer for the Special Olympics.

Mr. Cass has been instrumental in the development of the STEM program at Chenango Valley, designing new courses and expanding the curriculum. He works diligently to ensure that the district's program is balanced and can benefit students of all ability levels. His students regularly volunteer for projects or independent study, knowing that he will provide the tools, support and encouragement needed to get the job done. He is very supportive of his colleagues, and regularly forms cross-curricular relationships, such as working with a science teacher to co-teach a STEM class, or consulting with an art teacher to turn creations into technical drawings and models.

l-r: Chenango Bridge Principal Mary Beth Hammond, Superintendent David Gill, Teresa Price, CVHS Principal Terry Heller, AJ Cass, NY State Office of General Services Commissioner RoAnn Destito.

Primary Project Grant Awarded to Port Dickinson Elementary

Port Dickinson Elementary School has been awarded a \$15,000 grant through the Children's Institute to implement the "Primary Project," a national early intervention program. The program utilizes one-on-one, child-led play intervention to help students in grades K-2 who have mild adjustment issues. The philosophy is that each student is unique in their abilities, talents, attitudes and interests and may not be able to use adult-like coping skills.

At Chenango Valley, we have observed an increase in students struggling with a variety of issues, including difficulty adjusting to academics. Students come from a wide variety of backgrounds, cultures and home lives, and will express themselves in a multitude of ways. The one-on-one, non-directive child-led play used in the Primary Project will allow them the freedom to do so in the school setting. The program will be based in a specially outfitted room using a trained staff member, with the capacity for up to 40 students next year. Activities employed will be based on student need and may include relaxation and home-school connection activities.

David Fillers Memorial Scholarship

A scholarship fund in memory of Chenango Valley Class of 2008 graduate David Fillers was established by his close friends and family after David was tragically killed on New Year's Day 2012. Since the inception of the fund, ten scholarships have been awarded to graduating CVHS seniors entering a two or four-year college to pursue a career in engineering, math or science.

If you would like to help honor the memory of David Fillers and support future CV graduates, please consider making a donation to the fund. Donations, payable to the "David Fillers Scholarship Fund" may mailed to: Jon Fillers / Ann Fillers Serbonich, 18 Boland Road, Binghamton, NY 13905

Special thanks to Hillcrest Rotary

CVCS D extends a special thank-you to the Hillcrest Rotary for its continued generosity and support of our school and community.

Year after year, the Hillcrest Rotary provides funding to support many specific needs within the CV community. The Rotary has supported our CHOW Pantry on several occasions, most notably with a donation of \$5,000 to purchase inventory to help our community in need. This year, the club funded playground supplies at Port Dickinson Elementary, to help nine Middle School students attend the class trip, and to purchase gift cards for the CHOW pantry to give food and supplies for students in need.

The Hillcrest Rotary also helps to provide a book for every student in Chenango Valley pre-K, through a Family Reading Partnership program. See details on page 25. Many thanks to our generous friends in the Hillcrest Rotary!

Please note that students with incomplete grades at press time may not be included in this list and will be recognized in our next issue of the Newscaster.

A Triple Scoop of Thanks

The 24th annual Ice Cream Social and Band Concert, held June 1, was a delicious way to usher in the summer season. The beautiful, sunny weather was perfect for a fun-filled evening of music and ice cream treats. CV families and friends were entertained by the very talented students in the CBE Fifth-Grade Band, and the Middle School and High School Concert Bands.

Mrs. Jensen was honored by the high school band students as she is retiring this school year. *Best wishes on your new adventures, Mrs. Jensen!*

TheBaCh of CV and the CV music department extend sincere thanks to our community for supporting the ice cream social and concert. Proceeds benefit the various activities of The BaCh of CV.

A TRIPLE SCOOP OF THANKS to the organizers, hard-working volunteers, those who contributed baked goods, HS food services, and the MS/HS custodial and maintenance staff. Everyone worked tirelessly to help make the evening possible. It is because of this wonderful teamwork that our event was a success!

Thank you for supporting CV performing arts!

Deposit bottles/cans may be donated anytime for BaCh

Please donate! "Bottles for BaCh" collections are year-round. Over the summer, bottle/can donations may be dropped off in the big red collection box located in the High School staff parking lot. Donations can be dropped off at any time. Collections will continue to be taken at each music concert during the school year.

"Bottles for BaCh" has been a successful endeavor benefiting various CV Music programs and activities.

Thank you all for your donations! Have an enjoyable summer.

Monster Mash art project pairs elementary & high school students

Third-graders drew monsters, then high school art students brought the monsters to life. In a joint project between Mrs. Abbey Spencer's third-grade art classes at Chenango Bridge, and Mr. Andy Fitzsimmons' Fast Forward 3D ceramics classes at the High School, the younger students made drawings of a monster, and the older students re-created the idea into a 3D sculpture.

The third-graders -- 141 of them -- headed to the Chenango Valley High School one morning in June for the official unveiling of the monster sculptures. They were especially surprised when they arrived and Mrs. Spencer announced that ALL of their drawings had been made into sculptures, since they were under the impression that just a few of the drawings were chosen to be replicated.

Approximately 40 high school students worked on the sculptures, with eight from the Fast Forward class doing a significant amount of the work. Mr. Fitzsimmons created wooden bases that were used to mount the sculptures.

The students were so excited when, class by class, the sheet covering the sculptures was lifted to reveal the creations. They rushed to the table to find their drawing and its 3D version placed alongside it. As seen in the photos, it was a cafeteria full of happy faces and colorful, fun creations.

Music Camp Scholarship winners

Owen Staub and Gabriel McManus were each selected to receive a BaCh scholarship to help pay for attending a summer music camp. Owen is going to the Ithaca College Summer Music Institute and Gabriel will attend Bristol Hills Music Camp.

Students heading abroad for music program

Six CVHS students will participate in the American Music Abroad Red Tour this summer. The group is made up of students from New York, New Jersey, and Pennsylvania who will be in either the band, orchestra, or choir. They will travel to Austria, Germany, Italy, and Slovenia, putting on a concert in each town they visit.

JV Baseball has big season

The 2016 JV baseball team finished with a record of 12-5 and represented Chenango Valley as STAC East Division Champions in the JV STAC baseball playoffs. Although the team lost in the semifinals to the Horseheads Blue Raiders 7-0 to end the season, it was a successful season. The season included a four-win start, a sweep of Johnson City, and a huge early season win over Susquehanna Valley.

The team was led by sophomores Zach MacLaren, Jake Shoemaker, Ty Abel, Ben Venuti, Rusty Nelson, RJ Santa Croce, Matt Pecha, and Jackson Retzlaff. The team came together early on and was hungry for success. This was a very talented and bright group of Chenango Valley athletes who love the game of baseball and work hard to achieve some very lofty goals that were set in early March. The players deserve the accolades they have received for the hard work they put in during the offseason. It was a pleasure to coach this group.

A Message from the CVAC/Booster Club

It has been another great year for CV athletics and the CV Athletic Booster Club (CVAC). In the past year, we have donated approximately \$15,000 to CV teams and the athletic program. Here are just a few of this year's accomplishments:

- Donated Warrior Mascot uniform to enhance school spirit
- Purchased "Go Red" spirit t-shirts to enhance school spirit
- Donated \$5,000 towards baseball scoreboard
- Donated windscreen for outfield fence on the new softball field
- Donated golf cart to help the Athletic Dept. with logistics for both practice & games
- Officially received our 501 c-3 non-profit status
- Continued tradition of athlete buttons & 3-sport athlete awards
- Continued tradition of memory discs for all senior athletes each season
- Purchased and donated wrestling uniforms for the wrestling team

We are starting our membership drive, and encourage all CV families to join. Our goal is to enhance and support the athletic programs for all of our student-athletes. Our funding comes from memberships, donations, concession stands, athlete buttons, our Super Bowl fundraiser, and our upcoming golf tournament fundraiser.

Our golf tournament will be held on Sunday, Aug. 21 at Belden Hill with a 1:30 p.m. shotgun start. If you are interested in entering a team, sponsoring a hole or donating door prizes, please contact CVAC President Bill Phillips at: bphillipsjr@airtempvac.com. We hope you will join us in supporting this event. We will have a lot of fun while helping our student-athletes!

Our membership form is printed on the next page, and can also be found on our website: www.cvwarriors.com. Our website is also linked from the school website under the athletics tab.

Why Join?

First, you will make a difference for our student-athletes, and second, you will show your support by being involved! Be sure to join and get your Warrior Passes, which will allow free admission to all home sporting contests (See membership form for details.)

I encourage you to join us at our monthly meetings, typically held the first Thursday of the month at 7 p.m. in the high school library resource room. Check the district website or the CVAC website to confirm the meeting.

Thank you for your support and consideration in supporting the CVAC! A big thanks to all of our athletes, coaches & volunteers who help us at various times & events throughout the year! Go Warriors!
