

Media coverage / photography opt-out

There are times when our district may be featured in various media. News reporters, photographers and/or film crews, or appropriate district employees, may wish to photograph and/or film students involved in school programs or activities. Our schools are also visited by community organizations or partners who are providing services to students. These organizations or partners may wish to use photographs and/or your child's name in their publications and informational materials.

If you DO NOT want your child to be photographed or filmed by members of the media, organizations or agencies at school or district events -- for use in publications, websites or video, please contact the CV Communications Office at (607) 762-6804 to obtain a media opt-out form. We will make every effort to honor your request; however, please be aware that there may be circumstances when your child may be photographed or filmed beyond our control. We suggest discussing your wishes with your child so that he/she knows your preference for non-inclusion in photos/video.
