

BREAKFAST IN THE CLASSROOM

What is BIC?

- Breakfast is provided to students in grades K-5 **free of charge** each day.
- In grades K-5 students are served breakfast in their classroom.
- Participation is **voluntary**.
- As each K-5 student eats breakfast at their desk the teacher takes attendance, reads announcements or goes over the daily agenda.
- An entree, fruit, juice and milk are available daily.

In partnership with the federally funded BIC program, the Chenango Valley CSD is proud to present the Breakfast in the Classroom Program. **This program provides breakfast free of charge to each student in grades K-5 for the 2018 - 2019 school year!**

Benefits of BIC

- Students perform better academically when they have breakfast.
- A sense of community is felt throughout the classroom.
- Students will have the opportunity to practice manners and sharing.
