**DISCUSSION:** HS/MS - Roof on entry ways - Excel. Ceiling tile adj. to Attendance office - replacement.  
Stairwell tiles on stairs that are on the East side of bldg. replace with 1/2/inch plywood. Lawn care adjacent to the  
building is lacking. Auditorium roof is leaking in the so. west corner. Black top the driveway and rear parking area  
of Bus Garage. The new security cameras to be installed with Excel, leave 10-12 ft. of extra wire above the ceiling  
tiles, to adjust the cameras if necessary. Pave bike rack area , adjacent to the main entrance. Renew the top soil  
and grass in the islands in front of the school. Add a section of side walk on the east side of the school leading  
to the football field.  
Port Dickinson: Shades in the class room windows. Hallway heater on the 4th floor adj. to the elevator, fill the  
gap in the wall. Lavatories, regROUT the holes where the soap dispensers were removed. the floor copy area,  
Build a cabinet to hold the paper supply, with doors, Make it approx. chest high as a work surface. 2nd floor,  
add doors to current cabinet. Driveway curbing in bus area. Front stairway replace floor tiles on all landing  
areas. Multi purpose room, use the sound suppressant padding from the gym to cut down the noise in the  
Cafeteria. Weeding is needed in the light well. Recover the play ground area with mulch. Small window in the  
music room is a heat loss problem.
