WELCOME BACK, WARRIORS!

District News

Emergency Alert System

The district uses an automated system to quickly send messages in the event of a school or district emergency. For typical school opening delays and closings, messages will be sent in the form of an email and/or text to your cell phone. To receive messages, you will need to have an up-to-date account set up through our district website.

To access this system on our district website:

1. Go to www.cvcasd.stier.org
2. Select "Public Login" at the top right-hand corner of the page (for desktop computers) or a grey box that says "Register to Receive School Closings/Alert Messages"
3. Log in or create a new account by choosing "Register New User"
4. Select the notification preferences you would like to receive (Emergency Alerts, Athletics, etc.) Choose one or more schools from the list to receive notifications pertaining specifically to the school(s) of your choice. To receive notifications for district-wide emergencies, which include weather-related school closings and delays, select "Emergency Alerts/Closing and Delay"

We encourage you to check and make sure that you're signed up. If your contact information has changed, please update it in the system as needed to ensure you receive notifications.

If you have any questions about your account, your contact information and/or the system in general, please contact CV Director of Curriculum/Technology Sarah Latimer at slatimer@cvcasd.stier.org

Important Message Regarding Nut Allergies

There are students in the CV schools who have a severe allergy to nuts, peanuts and peanut products. The allergy can be life-threatening and strict avoidance is the only way to prevent an allergic reaction.

In an effort to provide a safe learning environment for these students, we ask that you do not send in any foods that contain nuts, peanuts and/or peanut butter for your child to snack on during the school day. Peanut/nut products may be in your child's lunch, but they must be eaten in the cafeteria and not in the classroom, hallway, school bus, sporting events or field trips. Your cooperation in this matter is greatly appreciated.

Welcome, New CV Faculty/Staff!

Chenango Valley Central School District is excited to introduce faculty/staff members who will be taking on new roles in our district this year! Please make sure to say hello if you see them around our school community. We're looking forward to a great school year with these Warriors! The picture below was taken at a faculty orientation in July.

(Back Row - l-r): Corinne Zotter - Science (HS), Scott Arthur - Social Studies (HS),
Nicholas Lafko - Health (MS/HS)

(Front Row - l-r): Nicole Jefferson - Social Worker (Grades 3-6), Amanda Silvanic -
Social Worker (PD), Danielle Brennan - Math/ELA/Labs (MS), Felicia Woodard - Social
Studies (MS/HS), Ashley Broderick - AIS (CB), Julianna Conroy - Grade 5 Teacher (CB),
Tina Hall - School Counselor (PD), Megan Cieri - School Counselor (CB), Cassandra
Fassett - Teaching Asst./Primary Project (PD), Julia Lovaglia - Special Education (CB)

Additional New Faculty/Staff:

- Andrew Burlingame - Director of Facilities and Operations
- Clara Carver - Teacher Aide (CB)
- Jaime Davis - Grade 2 Teacher (PD)
- Lisa Davis - Teacher Aide (CB)
- Sally Hartmann - Bus Attendant
- Brenda Kosydar - School Nurse, RN (CB)
- Sally Kupetz - Teacher Aide (MS)
- Michael McDonald - Bus Driver
- Angelina Schoonmaker - English/ELA (MS/HS)
- Naomi Slocum - Teacher Aide (CB)
- Monica Trisket - Teaching Assistant (HS)

Wishing you all a bright
future at CVCS!D!

District News

Message from the Superintendent

Welcome back, Warriors! We hope you had a restful summer vacation and are ready for another year of exciting academic and extra-curricular opportunities at Chenango Valley!

Throughout the summer months, we've had numerous opportunities for students to continue their academic and athletic growth, as well as opportunities for our dedicated staff to grow professionally.

We've also been very busy with facility improvements this summer including window replacements at our Chenango Bridge Elementary building, construction on our CV Middle School/High School outdoor classroom, CV Middle School/High School library renovations, and lots of work to help enhance educational opportunities at our Port Dickinson Elementary building! The goal of these renovations is to always keep improving and providing our students, staff and faculty the most safe, secure and top-quality facilities that we can. We can't wait for our renovations to be complete and hope that these improvements will make our school community feel an even greater sense of Warrior pride!

Dr. David P. Gill
Superintendent

Along with enhancing our facilities, we're looking forward to another great year of inspiring, engaging and empowering our students to continue growing in their studies.

We had many celebrations with the 2018-2019 New York State Assessments. We are very proud of our devoted staff and hardworking students!

We ask our Chenango Valley families to please contact your child's teacher and/or building principal with any questions, concerns or just to celebrate a positive student victory throughout the school year. Our schools care greatly about our students and want to work with you to help make sure **Every Warrior Succeeds**.

In addition, this year's focus on The Positivity Project program will help us to take a closer look at supporting those around us with encouragement and positive language. You can see more about this program on our district website.

I want to end this message with a thank you. No matter what your role is in this school community, I want to thank you for the difference that you make in the lives of our students. We look forward to continuing the growth and connection of our schools, families and community. Working together, we can help to ensure the success, safety and well-being of our students.

Here's to a wonderful 2019-2020 school year!

Sincerely,

Dr. David P. Gill

Superintendent of Schools

Board of Education President's Message

The lazy days of summer have come to an end. To be honest, I am not convinced that didn't really happen long ago. There are so many activities, events and opportunities for our littles that summers are often just as busy as the school year! It is awesome to see so many students active, both mentally and physically, throughout the months of July and August. I hope families were also able to take moments to just be together and refresh.

Kelly Warwick, President
Board of Education

Our 2018 Capital Project Phase II work is certainly underway. Port Dickinson is completely gutted, Chenango Bridge has begun with new windows, the MS/HS has a new library with construction continuing on the work rooms, and the groundwork has been laid for our outdoor classroom. These are just a few components of the massive undertaking voters graciously approved. On top of the state-of-the-art buildings we will have at the end of this year, many of the bids were awarded to local businesses, so we are also helping our economy. This \$15 million project is all at no impact on local taxes.

This is a perfect opportunity to thank all who sat on our Elementary Relocation Committee. Your hard work, tenacity and cooperation is greatly appreciated. We understand that moving our students to different buildings is challenging, but with your expertise and dedication, we are confident that the decisions made and plans put into place will help us ensure a safe, productive school year.

As the Chenango Valley Board of Education President, I have the honor of addressing our CV staff on opening day. I try to think of ways to show them how grateful we are for all that they do. Last year, I had students join me in letting them all know the incredible impact they have. This year, I asked a staff member from every department/school to join me in a flash mob. A great big thank you to all who agreed to step out of their comfort zone and join in. With the help of Ann Szymaniak, we were able to give a visible representation of just how students' lives are changed for the better thanks to every single Chenango Valley staff member.

Thank you for your ongoing support of our district. When we work together, the kids win.

Respectfully,

Kelly Warwick

President, Chenango Valley Board of Education

District News

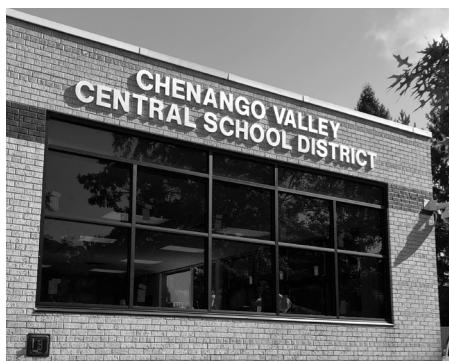

Capital Project Update

Construction activities continued in many of our district facilities over the summer. The Port Dickinson Elementary building (770 Chenango Street) was vacated entirely and contractors started the demolition process which included work on floor, ceiling, casework, plumbing fixtures and light removal. Once demolition was completed, new wall substrates and plaster were installed in the corridors, new electrical wiring was set up, and new plumbing piping was put in various locations. New windows and finishes within the rooms have also started to be installed. The construction has been progressing on schedule. As a reminder, Port Dickinson Elementary (pre-K - grade 2) students and staff are anticipated to return to the 770 Chenango Street Port Dickinson Elementary building in January 2020, immediately following our Winter Recess.

At the Chenango Bridge Elementary building (741 River Road), windows throughout the facility were replaced with energy-efficient windows. This replacement has also greatly improved the exterior look of the building. This is just the beginning of the work at this building. Starting in January 2020, once our Port Dickinson Elementary students and staff have returned to 770 Chenango Street, final capital project renovations on the Chenango Bridge Elementary building will commence. As a reminder, our Chenango Bridge Elementary (grades 3-5) students and staff will be at 1051 Chenango Street (the St. Francis School building) throughout the entire 2019-20 school year. CB students and staff are anticipated to return to their newly-renovated 741 River Road building in September 2020.

At CV Middle/High School, work included renovations to the library, refinishing of the gym floor, HVAC improvements at the middle school gym, the set up of serving lines, and the creation of gender-neutral toilet rooms and shower areas. While some of the work is still wrapping up, these renovations have greatly improved the use of these spaces. The construction of our new CV Middle School/High School outdoor classroom has also started. This facility will be located at the storm water pond adjacent to the softball field. Utilities have been run underground to the building and the foundations have been installed.

We appreciate your patience, understanding and cooperation as we go through the renovation process. We look forward to seeing our renovated facilities and all of the amazing educational opportunities that each will provide.

District News

Career Exploration Program Examines Future Opportunities

Students entering the sixth grade this school year had the opportunity to participate in a two-week, hands-on program designed to engage them in career exploration. Held at the Broome-Tioga BOCES campus, the career and technical education program allowed students to take part in a unique variety of career paths such as law enforcement, culinary arts and construction. Through direct teacher instruction and project-based learning, students discovered skills that will help them to navigate their future interests and gained tools to help them continue to succeed.

BOCES Summer STEAM Academy Empowers Student Growth

Chenango Valley Middle School and High School students had an awesome time taking part in this year's BOCES Summer STEAM Academy. In addition to making friends with students from around the area, CV students took part in a variety of interactive activities during this two-week program. Alternating between the Broome-Tioga BOCES campus for one week and SUNY Broome for the other, students were able to participate in learning that helped them to explore and develop projects with real-world applications. Students took part in activities such as hands-on robotics education, creating liquid nitrogen ice cream and exploring nature.

Summer Swim Lessons Create a Wave of Fun and Learning

Students entering grade 2 and above were able to improve their swimming skills during Summer Swim Lessons at the Chenango Valley High School pool. Chenango Valley High School students and alumni were among instructors who helped to share useful strategies and safety techniques to inspire participants to become even better swimmers.

District News

CV Summer STEAM Program Expands Teamwork and Educational Skills

Chenango Valley's 2019 Summer STEAM program encouraged students to engage in a variety of fun and educational activities focused around the theme of "Wonderful Water." During their Summer STEAM sessions, students entering grades 1-6 had the opportunity to take part in activities such as swimming, creating handmade aquariums and designing cardboard boats to race. Students also received visits and contributions from organizations such as Cornell Cooperative Extension and the United Way of Broome County. The grade 5-6 group that participated in the creation of cardboard boats said the project helped them to build upon multiple skill sets.

"It helps build your engineering skills," said Summer STEAM participant Connor Mika.

"You've got to build the boat together, with a team, so there might be some different ideas that you agree on and disagree on," added Summer STEAM participant Hudson Tanner. "So you have to decide together on which ideas to use and which ideas to not."

Chenango Valley is proud of our Summer STEAM participants and their educational growth!

Summer Arts Program Inspires Creativity

Chenango Valley Summer Arts program participants tapped into their creativity, designing props for their performance of "The Three Little Mice." This was a fun adaptation of "The Three Little Pigs" and students wrote the script themselves. For their final task, participants used their technology skills to record and edit a video of their performance. Great job, Warrior artists!

Student Volunteers Contribute to Successful CV Combined Civic Summer Fun Program

More than **40** middle school and high school student volunteers helped out in this year's CV Combined Civic Summer Fun program. Their efforts helped make the four weeks of Summer Fun a success! The program, which was held in Chenango Valley Middle School, is a combination of the Port Dickinson, Hillcrest, Port Crane, Nimmonsburg and Chenango Bridge civic associations. It provides community youth with a variety of opportunities including arts and crafts, recreational and physical education activities, and fun trips to local spots. This year's program was run under the direction of Ryan Hayes and Kristin Ingraham.

Thank you to the following volunteers for helping local youth to experience a summer of fun memories:

Tyler-John Adams
Christian Allen
McKenna Beers
Sidney Beers
Jadyn Bobzien
Savana Collins
Aidan Decker
Alex Durdon
Jessica Gates
Luke Gillette

Warrior Academy Promotes Growth

Chenango Valley students enjoyed growing their skills both physically and mentally during our summer 2019 Warrior Academy.

Students entering grades 6-12 had the chance to take part in this exciting program which focused on strength, conditioning and agility training for all sports. Whether on the field or in the weight room, participants said Warrior Academy helped them to enhance their athletic abilities.

"You do things to help you get better," said Warrior Academy participant Jenna Beck, "And it helps get you stronger for your seasons coming up."

Chenango Valley is proud of our Warrior Academy participants for their hard work and dedication to fun and success! Awesome job to all who took part!

CV Students Participate in American Music Abroad Red Tour

(Article Provided By: Kevin Hammill)

Chenango Valley was well represented in Europe this summer, as four of our high school students traveled with the American Music Abroad (AMA) Red Tour. Music students Erin McCollough, Gabe McManus, Teagan Nester, and Jessica Serafini traveled with the AMA Red Tour Band to play at concert venues in France, Germany, Austria, the Czech Republic and Switzerland! When they were not performing, the students had the opportunity to learn about the history, culture and architecture of each European city they visited. The students thoroughly enjoyed the tour and making friends from school districts all over New York and New Jersey!

The families of each student and CV teacher Mr. Kevin Hammill were able to catch a farewell concert of the Red Tour in early July before the students left for Europe. They were very impressed with the sound of each ensemble. They also enjoyed hearing all of the stories about the tour when our CV students returned to America.

Chenango Valley Summer Community Band Begins on a High Note

(Article Provided By: Kevin Hammill)

In its inaugural year, the Chenango Valley Summer Community Band provided a wonderful social and musical opportunity in the Chenango Valley Central School District.

After six weeks of Tuesday evening practices, the band put on an outstanding concert performance for community members in the Chenango Valley Middle School/High School auditorium on August 20!

The 30-member band that performed at the concert was comprised of a variety of musicians including 22 Chenango Valley students, three Chenango Valley alumni, one Chenango Valley parent, one band student from Chenango Forks, Chenango Valley Middle School Principal Mr. Eric Attleson, Chenango Forks Band Director Mr. Ken Starr, and Mr. Hammill's father Mike Hammill (who drove up from Florida just to play)!

We look forward to seeing this amazing band continue to grow! If you or someone you know would like to join the community band next summer, please contact Mr. Kevin Hammill at khammill@cvcasd.stier.org to find out more information.

Photo Provided

There are times when our district may be featured in various media. News reporters, photographers and/or film crews, or appropriate district employees may wish to photograph and/or film students involved in school programs or activities. Our schools are also visited by community organizations or partners who are providing services to students. These organizations or partners may wish to use photographs and/or your child's name in their publications and informational materials.

If you DO NOT want your child to be photographed or filmed by members of the media, organizations or agencies at school or district events for use in publications, websites or video, please contact the CV Communications Office at (607) 762-6804 to obtain a media opt-out form. We will make every effort to honor your request; however, please be aware that there may be circumstances when your child may be photographed or filmed beyond our control. We suggest discussing your wishes with your child so that he/she knows your preference for non-inclusion in photos/video.

In addition, if you do not wish to have examples of your child's original work (ex: art class paintings) published via our district website, please contact the CV Communications Office at the number listed above.

District News

Title I, Parents' Right to Know Notification Letter

To Port Dickinson, Chenango Bridge and Chenango Valley Middle School Parents/Guardians,

In accordance with the Every Student Succeeds Act (ESSA), parents of students attending Title I schools – Port Dickinson, Chenango Bridge and Chenango Valley Middle School - may request information regarding the professional qualifications of your child's teachers and paraprofessional staff.

Please call the District Office at 762-6810 should you want information regarding:

- A. whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- B. whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- C. the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- D. whether the child is provided services by paraprofessionals and, if so, their qualifications.

Chenango Valley Central School District

Request for Pesticide Application Notification

New York State Education Law Section 409-H and State Education Department Commissioner's Regulation 155.24, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty and staff regarding the potential use of pesticides periodically throughout the school year.

Chenango Valley Central School District is required to maintain a list of persons in parental relation, faculty and staff who wish to receive 48-hour prior notification of certain pesticide applications.

If you would like to receive such notification or would like further information regarding this matter, please contact Director of School Facilities and Operations Mr. Andrew Burlingame at (607) 762-6861.

Public Notice Regarding Asbestos

The Chenango Valley Central School District completes inspection of all schools and buildings to determine the condition of asbestos that is present, and whether any action is required to avoid potential health hazards for students, employees and visitors.

A management plan has been developed in accordance with the Asbestos Hazard Emergency Response Act (AHERA), to ensure the continued provision and maintenance of a safe environment for students, employees and visitors. The management plan includes training of maintenance staff to prevent disturbance of asbestos, periodic re-inspection, surveillance and limited abatement by trained personnel.

Please note that the comprehensive, triennial inspection occurs once every three years. A surveillance inspection of the asbestos containing building materials occurs every six months, typically during the months of December and July. Monitoring of these building materials occurs on a continuing basis.

A copy of the management plan is available at the District Office. If you would like further information regarding this matter, please contact Director of School Facilities and Operations Mr. Andrew Burlingame at (607) 762-6861.

*PLEASE NOTE: A complete list of Chenango Valley Central School District policies, along with routine policy updates, is available on our district website at www.cvcasd.stier.org/PolicyManual.aspx

In addition, a complete policy manual is available for review in the main office at each school building. You can also contact the respective office to request a copy of any policy.

The Code of Conduct policy for students is included in student agendas and is also available on each school homepage on our district website.

Winter 2019-2020 Athletic Coaches

Varsity Coach: Erica Rinker
Team: Cheerleading

What I'm looking forward to this upcoming season: I am looking forward to a great season with a talented group of athletes. I look forward to reaching all of the goals that we have set in the off season and performing them on the mat.

JV Coach: Alexis Francavilla

Varsity Coach: Charles Frayer

Team: Boys Swim

What I'm looking forward to this upcoming season: We have a strong boys team and are looking to do well at the boys state swimming championships in March in Long Island.

Modified Coach: Teresa Price

Program Coach: Mackenzie Moss

Varsity Coach: Ryan Hayes
Team: Girls Basketball

What I'm looking forward to this upcoming season: I'm looking forward to the challenge of building a program. I'm fortunate to have a passionate coaching staff and energetic players. Positive relationships along with conviction and commitment should lead to a competitive program for years to come.

JV Coach: Ashley Lomonaco

Modified Coach: Bill Berg

Modified Coach: Megan Mullins

Varsity Coach: Terry Heller
Team: Boys Basketball

What I'm looking forward to this upcoming season: For the 2019-2020 season, I am looking forward to coming to the gym every day to work with a fantastic group of kids, and to watch them compete in the very competitive STAC East this season.

JV Coach: Patrick Saunders

Modified Coach: Jason Smith

Modified Coach: Theodore Hoffman

Varsity Coach: Nate Ostrander
Team: Bowling

What I'm looking forward to this upcoming season: I am excited for this coming winter season because of the great returning bowlers and potential new teammates. We hope to grow our team and push each other to be the best we can be! Let's bowl!

Varsity Coach: Ron Riquier
Team: Wrestling

What I'm looking forward to this upcoming season: I'm looking forward to attaining the goals that each individual wrestler sets at the beginning of the season.

Modified Coach: Troy Humphries

Program Coach: Dustin Greene

Varsity Coach: Jay Hope
Team: Indoor Track

What I'm looking forward to this upcoming season: I am most excited for the kids who are new to track and field. For them, they get introduced to a great sport where a lot of different types of athletes can find success. It also promotes physical fitness for other sports.

REMINDER: You can find the schedule to keep up-to-date with Warrior athletic contests throughout the school year on our athletics homepage: www.cvcisd.stier.org/Athletics.aspx

Congratulations!

Summer Youth Athletic Clinics Build Skills and Connections

The Chenango Valley varsity and junior varsity girls and boys soccer teams hosted youth soccer clinics in August. Chenango Valley football players also worked with youth in the community this summer. The younger players enjoyed learning some awesome lessons from their older peers. Thank you to our athletes and coaches for inspiring younger generations of athletes with these programs!

District News

Dear Families,

This year we are offering an ordering option for your child's celebrations, while also maintaining our commitment to building healthy habits for our students. The district is providing an optional menu of healthy snacks that can be purchased through CV's Food Service Department and delivered to your child's class on the day of his/her celebration. You still have the option of purchasing your own store-bought treats (with nutrition facts included). Should you wish to purchase snacks for your child's class through the district, please complete the attached form and submit it to your child's teacher.

Payment options:

Please charge to my child's lunch account

Amount authorized: _____

Check Enclosed

(Checks may be payable to: Chenango Valley Food Services)

Student Name: _____
Teacher: _____ Date of Celebration: _____
Occasion (i.e. birthday, etc.): _____

WG Double Chocolate Cookie	\$5.00 doz	
WG Candy Cookie	\$5.00 doz	
WG Sugar Cookie	\$5.00 doz	
TOTAL COST:		

*WG = Whole Grain

My School Menu Online

Through the "Breakfast & Lunch Menus" link on the "Food Services" section of our district website (www.rockoncafe.org/chenangovalley_home.aspx), Chenango Valley families can now access My School Menus™. This interactive website allows easy access to complete nutrition information for each school meal program in the district.

You can also access the website directly by visiting myschoolmenus.com, typing in the name of our district and your school building, then choosing a menu (breakfast or lunch). We hope this is a helpful tool to keep our families best informed on their children's nutrition.

The screenshot shows a menu item for a "Sausage/Egg/Cheese Breakfast Sandwich". The menu includes three build-a-meal options: 9 (Build-A-Meal), 10 (Build-A-Meal), and 11 (Build-A-Meal). The 11 option is selected. The menu lists various breakfast items like Apple Fritter, Cherry Fritter, Cereal, Variety Muffin, Top, Variety, and Fresh NY Apple. It also lists Grains like Whole Top, Variety Milk, NY Skim Milk, and NY 1% Milk. The 11 option includes Sausage, Egg, and Cheese. The right side of the screen displays the "Nutrition Facts" for the sandwich, including serving size, calories, and various nutritional values. It also lists "Allergens" (Eggs, Milk, Soy, Wheat) and "Attributes" (Gluten-Free, Lactose-Free, Kosher, Kosher-D, Kosher-P, Kosher-S, Kosher-U).

Chenango Valley School Breakfast Program

Chenango Valley encourages our elementary and secondary students to continue taking part in our "Breakfast After the Bell" program (also referred to as "Breakfast in the Classroom"). This federally-funded program provides elementary students with the opportunity to enjoy nutritious and free breakfasts daily throughout the 2019-2020 school year. Breakfast is also available free of charge for our middle school/high school students through the cafeteria line or a breakfast vending machine at the start of each school day (vending machine items are available until 10:00 a.m.).

Breakfast menus can be found through the "Food Services" section of our district website. (Direct Link: www.rockoncafe.org/chenangovalley_home.aspx)

Please Note: Participation is voluntary. If your child requires a special diet, a form can be filled out and arrangements can be made to address your child's needs. Forms are available at each school's health office.

**Breakfast fuels
the mind and
body to help
students learn!**

District News

Athletic Teams Give Elementary Students a 'Warrior Welcome'

As part of a "Warrior Welcome" athletics initiative, our fall 2019 varsity sports teams took turns greeting elementary students as they entered school.

The initiative kicked off on September 5 and teams continued greetings of smiles and high fives through September 11.

These greetings were a great way to start the school day, build connections and inspire #CVWarriorPride!

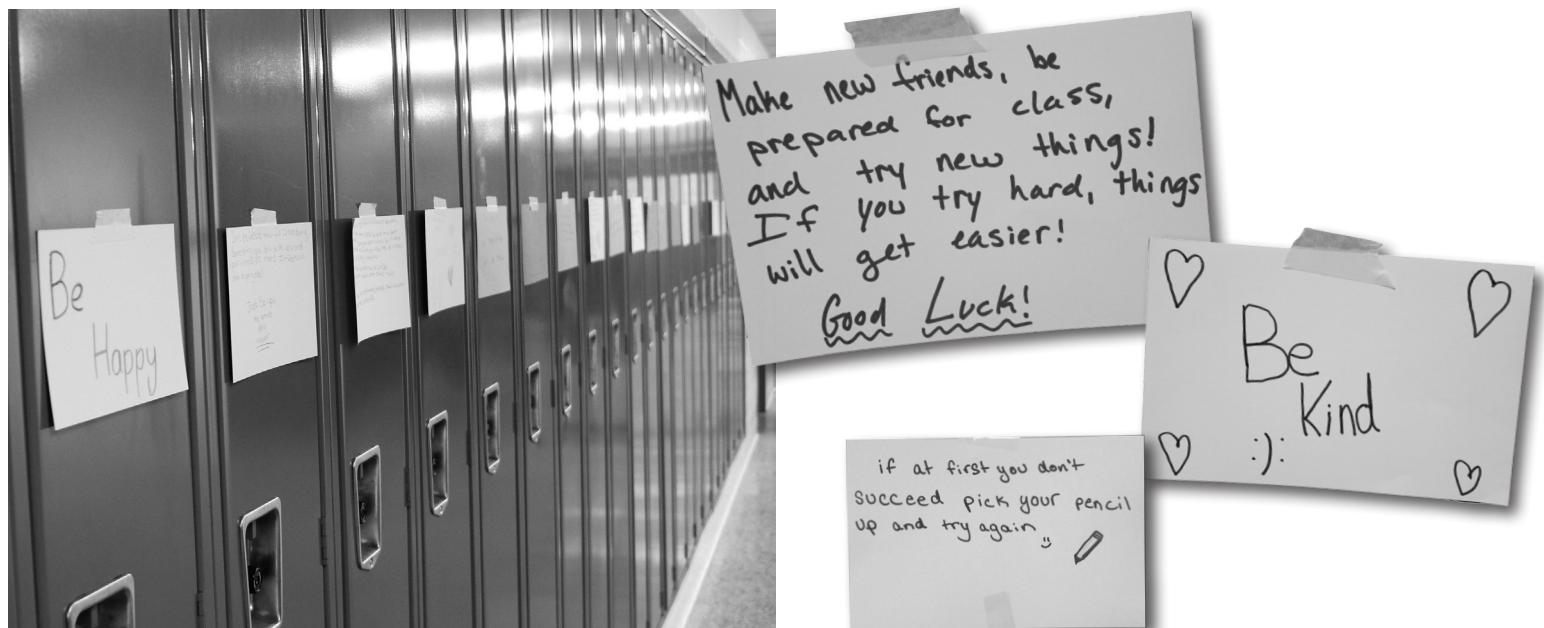

Locker Notes Spread Messages of Positivity

"If at first you don't succeed, pick your pencil up and try again." Chenango Valley students continued a tradition to help calm the nerves of students entering Chenango Valley Middle School and High School with inspiring locker messages.

In Mr. Italiano's English classes, Class of 2019 graduates helped to create the positive messages for incoming ninth grade students. Last year's grade 6-8 middle school students wrote them for incoming sixth grade students.

We hope that these kind messages put a smile on students' faces and helped to ease the transition into the next chapter of their education.
