Message from the Superintendent

Dear CV Community,

As we finish our 2017-2018 school year, it is time to celebrate our graduating seniors. As a community we should be very proud of these young adults. They have worked hard in their coursework and many have contributed to our community for many years. As the saying goes, "It takes a village to raise a child," and the Chenango Valley community has done an exceptional job. Our seniors are the future and can make positive change. They are smart, creative, and ready to spread their wings and pursue their dreams. As many of us know, it won't be easy. Today's world has challenges that never existed just a few years ago. They will need to have our continued support and good thoughts. Please join me in congratulating them and wishing them the best. Many are going on to post-secondary education, some to the work force, and some to the military. Let's hope they bring hard work, perseverance, and passion to their endeavors, and that they all find joy in their future.

Dr. David P. Gill
Superintendent

Enjoy the beautiful days of summer with family and friends. There is nothing better than positive relationships to keep us grounded and happy in our daily lives.

Sincerely,

Dr. David P. Gill
Superintendent of Schools

Message from the Board of Education President

Kelly Warwick
Board President

What an exhilarating time of the year, a time to reflect on the accomplishments of the past school year and a time to rest and rejuvenate. On behalf of the CV Board of Education, I would like to say how incredibly proud we are of all of our students, especially our graduates. Whether they will be moving on to college, joining the work-force or enlisting in the Armed Forces, we are confident that they will find success. Our CV staff have worked tirelessly to make sure that our kids are prepared for the ever-changing world. Our families have shown immense support and commitment. The world will be a better place with our CV graduates making a difference. The future is certainly looking bright!

We, as leaders in the Chenango Valley School District, have made a commitment to ensure kids get the best programs possible and make connections to our schools. The summer programs we have available are a prime example of that. The continued focus on academics, athletics and social-emotional health is evident, and I hope many of our kids take advantage of the opportunities.

Enjoy these summer months. I hope you find many moments of peace. I am excited to keep working to prepare for the upcoming school year, while taking time to count my blessings and remember how fortunate I am to live in this beautiful community.

Sincerely,
Kelly Warwick
President, Chenango Valley School Board

Also exciting news, Mrs. Hammond will return to her roots where she began teaching at Port Dickinson Elementary. She will now be principal at PD and use her expertise with primary school students. We wish them the best in their new roles, and have confidence that they will continue to work hard for our Chenango Valley students and families!

Jennifer Ostrander, CVHS Principal

Brad Tomm, Director of Pupil Services

We welcome Jennifer Ostrander as our new high school principal. Mrs. Ostrander, who most recently served as assistant principal at Maine-Endwell High School, will share her expertise in working with secondary students. Mr. Tomm will continue to be our athletic director, but concentrate more of his time as director of pupil services, focusing on opportunities and outcomes for students. We're excited for them as they take on their new roles, and have confidence that they will work hard to help CV continue to shine!

INTRODUCING A NEW WAY TO GIVE STUDENTS A NUTRITIOUS START TO THEIR DAY!

Breakfast is the most important meal of the day and fuels the brain and body to learn! In partnership with the federally-funded "Breakfast in the Classroom" program, the Chenango Valley CSD is proud to offer elementary and secondary students free breakfast daily.

Beginning in the 2018-19 school year, this program will provide breakfast free of charge to each elementary student. Participation is voluntary. As students eat breakfast at their desk, the teacher will take attendance, read announcements or go over the daily agenda. An entree, fruit, juice and milk will be available daily.

Breakfast will also be available free of charge for our middle school/high school students through the cafeteria line or a breakfast vending machine at the start of each school day.

**Additional information will be provided this summer. If you have any questions, please contact Food Services Manager John Marino at jmarino@cvcsd.stier.org*

Capital Project Update

The Phase 1 portion of the Capital Improvements Project is progressing very well. We received a timely review of the project by the State Education Department, and were able to get the project out to bid on schedule. The bidding was very successful with the total of all bids coming in less than what we had estimated. District staff, contractors, architects/engineers, and construction administrators meet on a regular basis to ensure the project is advancing appropriately. Our goal is to have the majority of the work completed this summer. Specific work that will be occurring over the summer includes the following:

- Bus loop and sidewalk replacement at Port Dickinson
- Parking lot replacement at Chenango Bridge
- Rear drive replacement at CV Middle School/High School
- Roof replacement at Port Dickinson
- Softball/multi-purpose field parking lot pavement
- Stadium lighting
- Masonry restoration at all buildings

PDE pavement that will be replaced

As previously planned, the window replacement at Chenango Bridge and Port Dickinson is scheduled to occur in the summer of 2019, due to the time it takes to manufacture the windows.

The Phase 2 portion of the project is also progressing well. With the design concept portion complete, our architect/engineer is currently developing the construction documents which will be submitted to the State Education Department for review at the end of the summer. The goal is to have the project out for bidding by the end of 2018 so construction can begin in 2019.

Important Message from our Health Office

There are students in the Chenango Valley School District who have a severe allergy to nuts, peanuts and peanut products. Strict avoidance is the only way to prevent an allergic reaction. The allergy can be life threatening.

In an effort to provide a safe learning environment for these students, we ask that you do not send in any foods which contain nuts, peanuts and/or peanut butter for your student to snack on during the school day. Peanut/nut products may be in your child's lunch, but must be eaten in the cafeteria and not in the classroom, hallway or school bus, including sporting events and field trips. Your cooperation in this matter is greatly appreciated.

Principal Attleson Receives "Secondary Administrator of the Year" Award

On May 17, the School Administrators Association of New York State (SAANYS) Region 9 chapter presented Chenango Valley Middle School Principal Eric Attleson with a "Secondary Administrator of the Year" award at this year's SAANYS Region 9 Award Ceremony.

Mr. Attleson was nominated by Chenango Valley administrators for showing great dedication to the education of students, providing continuous support for fellow educators, and being a role model in his leadership. The Region 9 Committee selected him after reviewing submitted proposals. His submission will be forwarded to the SAANYS state-level competition for "Middle School Principal of the Year" for 2018-2019. Congratulations and wishing you continued success, Mr. Attleson!

Pre-K Students Receive Books as Part of Reading Initiative

Port Dickinson Elementary pre-K students received a wonderful surprise on June 11, as part of an initiative to help promote a love for literacy! Thank you to the Hillcrest Rotary for purchasing and sharing copies of author Tad Hills' book "How Rocket Learned to Read" with pre-K students. This donation was part of The Literacy Legacy Project. Students were able to keep the book and were encouraged to read the story with their families over the summer. When they enter kindergarten, students' new teachers will have a copy of the book to read with them.

Each student received their new book inside of a bag which included the words "Talk to Me. Read to Me. Take Me to the Library." on it. The Fenton Free Library has offered to support the initiative as well. If a child goes to the Fenton Free Library and brings their bag with them during the summer, they will be given an activity folder based on the book. It will contain color pages, puzzles, summer reading tips, and more. Summer hours can be found at <http://www.townoffenton.com/Library/Fentonlibrary.htm>

Binghamton University Class Works in Collaboration with CV

In January, Chenango Valley Central School District began a collaboration with Binghamton University Education 480G students. This partnership, which lasted through May, gave college students the chance to learn firsthand from Chenango Valley administrators, teachers, support staff, and students. Over the course of four months, the program included learning observations, instructional presentations from Chenango Valley administrators, and involvement in district events such as STEAM Night.

CV was proud to have these aspiring instructors in our hallways, and the district wishes them each the best of luck in their future plans!

Great music, great food and great community support made for a fantastic 26th annual Ice Cream Social and Band Concert on May 30! A **TRIPLE SCOOP OF THANKS** once again this year to everyone who helped make this event possible -- including organizers, volunteers, those who contributed baked goods, HS Food Services, and the MS/HS custodial and maintenance staff. Everyone worked so hard and it showed in the event's success!

The BaCh of CV and the CV Music Department would like to give thanks to the community for their support of this event. Proceeds benefit various activities of The BaCh of CV.

REMINDER: Deposit bottles/cans may be donated anytime for The BaCh and CV French Club!

"Bottles for BaCh" and CV French Club bottle/can collections are accepted year-round. Bottle/can donations may be dropped off in the big red collection box located in the high school staff parking lot for "Bottles for BaCh" and in front of Port Dickinson Elementary for the CV French Club.

We appreciate your support of this successful endeavor, benefiting both of these organizations!

'Operation Safe Stop' Promotes Cautious Driving

On April 26, as part of the annual statewide "Operation Safe Stop Day" campaign, local law enforcement personnel worked with CV Transportation to monitor the illegal passing of school buses. It's important for motorists to be alert and use caution every day, for the safety of our children!

'Monster Mash' Art Project Reveals Exciting Surprise for Elementary Students

Third grade students were delighted to discover that each of the monster drawings they created earlier in the school year had "come to life" with 3D counterparts created by Chenango Valley High School art students at the third annual "Monster Mash Reveal." CVHS art teacher Mr. Fitzsimmons says this event is a great tradition to get kids excited about being involved in art for years to come!

YES Safe Choices Contest Helps Make Art Project Possible

Mrs. Sabol's third and fourth grade Art Club created Goonie Birds, pinch pot animals, foods and other figures out of clay. The fifth grade Art Club created abstract sculptures using wire, panty hoses, and acrylic paints. The fifth grade project was made possible by their participation in the YES Safe Choices Poster Contest in the fall. The club won \$100 in art supplies for their participation.

Thank you to Daniel Hege, the music director and conductor of the Binghamton Philharmonic, who worked with Miss O'Brien on a masterclass with the sixth grade band on May 17!

CV High School Students Compete in 'Feats of Clay'

With about 125 pounds of clay and an equal abundance of passion, 29 CVHS students competed in the 31st annual "Feats of Clay" competition at Onondaga Community College on May 4. This was the high school's tenth year competing in the event, led by art teacher Mr. Fitzsimmons. Students contributed in various roles throughout six competition events. In addition, five CV students had their artwork displayed in the "Feats of Clay High School Student Exhibition." Allen Doan received an Independent Potters Association Award for his "Old Man" clay creation.

"A pencil and some imagination can really take you anywhere." -- Mr. Zanot

More than 1,800 drawings and doodles that Mr. Zanot created over the years were put on display in the Chenango Valley High School art room hallway throughout the end of the school year.

Port Dickinson Elementary

Jim Pritchard, principal,
Port Dickinson Elem.

This has been a very busy spring. We would like to acknowledge the retirements of a few of our faculty members here at Port Dickinson. Lorri Vitali, one of our pre-kindergarten teachers, and Debbie Henderson, an early kindergarten teacher, have decided to retire this year. They have dedicated their lives to helping our young students here at CV Central School District. They will be greatly missed by both students and staff at Port Dickinson.

The PTA and Brooke McCall (chairperson of PD's Field Days) put on a successful day for the children at Port Dickinson. We had inflatable slides, face painting, a DJ and a talent show put on by the faculty. The day was perfect and the children seemed to enjoy themselves. By the time they loaded the buses at the end of the day, they were exhausted. Thank you to all who participated.

The Hillcrest Rotary Club sent a group of members over to Port Dickinson. They presented books to our pre-kindergarten students. This is a program the Hillcrest Rotary Club and The Literacy Legacy Project do to try to put a book in the hands of each pre-K student. This year the book was "How Rocket Learned to Read" by Tad Hills.

Again this year, we would like to recognize Mr. and Mrs. Corcoran for the time they volunteered at Port Dickinson. Ed and his wife Kay helped to teach the children about plants and about the life cycle of a plant. The children had the opportunity to plant their own seeds and watch them grow into flowers. Then the children, with the help of the Corcorans, planted their flowers in the Children's Garden at Port Dickinson Park this spring. If you get the chance this summer, take a look at our beautiful flowers in the park.

Finally, I would like to recognize Parker Hayes, a second grader in Mr. O'Donnell's room, and Braeleigh Durkot, a first grader in Mrs. Danglli's room, for winning "Best Prototype" awards in the Invention Convention that took place at Binghamton University.

We at Port Dickinson want to wish you a safe and fun-filled summer!

Chenango Bridge Elementary

Mary Beth Hammond,
Principal, CBE

It has been an exciting, ever-changing school year at Chenango Bridge Elementary. We have worked very diligently to build our academic, music, and athletic skills, while building friendships and challenging ourselves to be the best we can be.

The faculty/staff at Chenango Bridge Elementary School would like to wish our fifth grade students the very best as they transition to CV Middle School for the 2018-19 school year. These students have learned so much as students and as people in their elementary school years. We are confident that they will be successful in their transition to middle school. Keep up the awesome work for Mr. Attleson and the middle school faculty and staff!

Also, we are looking forward to a brand new group of third graders entering CB Elementary in the fall. Our current fourth grade students will now have a huge responsibility in providing leadership in our school. We know that they will positively contribute to the awesome learning experiences and build terrific friendships at CB Elementary.

It is so important to also recognize and extend a very warm "thank you" to several faculty/staff members who have retired this year in June: Mrs. Anne Gleason, third grade teacher; Mr. John McAndrew, security monitor; Mr. Anthony Patterson, custodian; Mrs. Stacie Vail, library clerk; and Mrs. Mary Lou Zanot, fifth grade teacher. All of these individuals have had a positive

impact on our school and community. You will be missed very much. There are many people who have made this school year successful. Thank you to our faculty, our staff, our families, and our students who work each day collaboratively and positively for the betterment of our school.

It is an honor and privilege to work in a wonderful school and community. Have a fantastic summer with your family and friends. Enjoy the sunshine! Have fun! The 2018-19 school year starts on Thursday, September 6, 2018!

CB Summer Reading BINGO Challenge Continues

(Photo/Article Provided By: Rebecca Gay)

In an effort to help decrease the "summer slide" and encourage students to read throughout the summer, Chenango Bridge Elementary has initiated another fun summer challenge.

All current students who will be attending Chenango Bridge Elementary this fall have received a new book and a "Summer Reading BINGO Board" with 25 activities to complete over the summer. Students who return their completed board to their new teacher on one of the first two days of school will be invited to a special reading celebration in September. We hope that families will cheer on and support our young readers as they continue to grow over the summer!

CB Students Perform 'The Lion, The Witch, and The Wardrobe'

Mrs. Zanot's fifth grade students put on a wonderful production of "The Lion, The Witch and The Wardrobe" in front of a room full of spectators on June 15! This was Mrs. Zanot's 14th and final annual Readers' Theatre. Hard work and great dedication shined through with awesome performances by all!

Middle School

Eric E. Attleson, principal
CV Middle School

“Dude Be Nice” was the theme for CV Middle School this school year. The students, faculty and support staff truly embraced the importance of being nice and kind to all. This year has been one that will not be forgotten.

Congratulations to the 47 students who were inducted into the National Junior Honor Society on May 11. Thank you to Mrs. Kogut, club advisor, for organizing the prestigious ceremony. Special thanks also go to Mrs. Wheeler and the custodial staff who assisted in the program.

The 16th Annual “Sixth Grade Career Day” was held on May 24. Students were able to choose three different career paths from a list of presenters. They were able to ask questions about future careers. Thank you to Mrs. Peterson for organizing the event.

The 51st annual “Sixth Grade Physical Education Track and Field Days” were held on June 7. All of the sixth graders had a chance to experience up to three track and field events. A huge thank you goes out to all the sixth grade teachers and MS/HS PE teachers who helped run the event. A big thank you to Mr. Plourde who organized the event.

The eighth grade trip to Boston, from June 7 through June 8, resulted in an incredible experience for all. On Thursday, we arrived in Boston and went on the Boston Duck Tour Adventures, followed by dinner at Boston Hard Rock Café. We then spent some time in Quincy Market before going to see the “Blue Man Group” at the Charles Playhouse Theater. On Friday morning, we went to the Museum of Science in Boston, then traveled to the Six Flags New England Amusement Park before returning home. The students all had a fantastic time. Special thanks to Mr. Berg, Mr. Stocum, Mrs. Schmitz, Mrs. Lesch, Mrs. Riquier, Mrs. Schmits, Mrs. Allen, and Ms. Mullins for chaperoning the trip. Lastly, I would like to thank and commend the eighth grade students for their outstanding behavior on the trip.

The first annual “Eighth Grade Moving Up Ceremony” was held on June 19. This was an important ceremony to celebrate the accomplishments of the eighth grade students who are transitioning to CV High School. A special thank you goes to Mrs. Moody, Ms. Riordan and Mrs. Samson for organizing the program.

The 28th annual “Middle School Academic and Achievement Awards” were held on June 20. Students were honored for their successes throughout the school year. A big thank you goes to our Middle School Awards Committee, and a special thank you also goes to Mr. Stanton, Mrs. Schmitz, Mrs. Allen, Mrs. Moody and Ms. Riordan for organizing the program.

I wish the eighth grade students much success as they enter their freshman year of high school. We also look forward to seeing the incoming sixth graders and the returning seventh and eighth graders at the annual “Middle School Orientation” on Monday, August 27 at 5:00 p.m. in the MS Cafeteria. CV High School

The 2017-2018 school year has come to a close. Our graduation ceremony was held June 22. The seniors of the Class of 2018 are now graduates of Chenango Valley. Congratulations to the Class of 2018!

Special thanks goes out to our bus drivers, custodians, cleaners, cafeteria workers, and office staff. Without dedicated people like this, Chenango Valley would not exist. These people enhance the educational experience on a daily basis. Our teachers and staff have done an excellent job working with your children. Chenango Valley is very lucky to have such dedicated and talented professionals working with our students.

In a very short time, we will be preparing for the first day of school for the 2018-2019 school year. September is just around the corner. Until then, enjoy your summer vacation!

Students Visit Broome County Office Building

Students in Mr. David Tidick's and Mr. Bill Clark's Global History 9 and government classes had the honor of taking a tour of the Broome County Office Building on May 23. They began their tour at the Broome County Clerk's Office and learned about items such as searching through public records. Students also had the chance to meet with Broome County Executive Jason Garnar in his county office location and learn more about the day-to-day roles and responsibilities he performs there.

They were a great inspiration for the high school students who were creating their own children's books to share with elementary students for a final project.

On May 4, the Latin Club went on a field trip to New York City. The students visited the Cloisters and the Metropolitan Museum of Art. At the Cloisters, students went on a guided tour of the medieval art collection, saw the famous unicorn tapestries, and enjoyed the beautiful spring weather in the Cloister Gardens. At the Metropolitan Museum, students visited the Greco-Roman gallery, the Temple of Dendur, and other exhibits of their choice. It was a wonderful day! Many thanks (Multas gratias!) to all who made it possible.

'International Save a Life Tour' Stops at CVHS

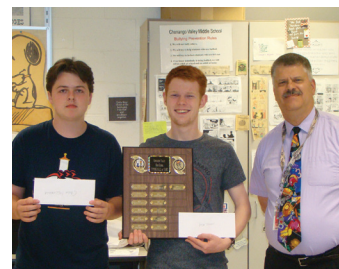

Thank you to the "International Save a Life Tour" for visiting Chenango Valley High School on May 10. With the use of simulated devices, the program helps to educate students on the very real, and often severe, consequences that can occur when a person chooses to drive impaired or distracted.

Mock Accident Presentation Encourages Students to Make Safe Choices

A presentation at CVHS on May 29 helped to reinforce the importance of all drivers making safe choices. The CVHS Students Against Destructive Decisions (SADD) chapter, Five Mile Point Fire Company, and additional community organizations presented a mock DWI accident to students in grades 10 - 12. The presentation showed real-life consequences that can occur when a person makes a dangerous decision behind the wheel. It was acted out by HS students, who were assisted by emergency personnel. The purpose of this event was to inform, educate, and raise students' awareness of tragic possibilities.

A full list of those who helped to make this event possible can be found on the district website.
