Message from the Superintendent

Dear Chenango Valley Community,

After a truly unprecedented school year, I am pleased to write this message in our special graduation edition of the *Newscaster*. To our Class of 2020 graduates, I want you to know how proud I am of the grace you have shown through these difficult times. I know that while this was anything but the ending you had anticipated for this chapter of your academic career, you will continue on to amazing life stories. After seeing your perseverance when faced with this year's challenges, I know that you have the resiliency to keep prevailing through life's obstacles. I thank you all for your contributions to our school community and wish you each the best of luck in your future goals and ambitions.

I would also like to, once again, emphasize my gratitude to our entire school community. Thank you to our families, faculty and staff for taking on changes, such as remote learning, and adapting in order to continue our District mission of inspiring, engaging and empowering our Warriors.

While there have been a lot of changes, challenges and unknowns, there is one thing I know will always remain true – the strength of our Warrior Community. We are Warrior Strong and through that teamwork, we will continue to grow and succeed through both the celebratory and difficult times.

As a side note, we are pleased with the renovations that have been made to our Chenango Bridge Elementary 741 River Road building. We can't wait for our Warriors to enjoy this beautiful facility! Further capital project information can be found on page 5.

From the time I write this message to when you receive it, there will most likely be additional updates for fall 2020 plans. We will continue to keep our families updated and informed based on the guidelines and information received from New York State. As I have previously mentioned, any plans will be made with the key goal of helping our Warriors to succeed, while keeping their health and safety as our top priority. We ask that you please refer to official District communications to ensure you are receiving accurate information.

I wish you all an amazing, safe and happy summer! May it be filled with many special moments!

Sincerely,

Dr. David P. Gill
Superintendent of Schools

Board of Education President's Message

On behalf of the Chenango Valley Board of Education, I would like to start by thanking our administration, faculty, staff, students and families for their resilience, tenacity, dedication and hard work over the past few months while facing unprecedented challenges. I would also like to thank the community for your continued support in passing the 2020-2021 budget, bus propositions, as well as allowing Joel Luchun and I to serve another term.

Although in-person meetings were put on hold, our governance team continued to meet via open-meeting Zooms. There was work to be done and difficult decisions to be made. We focused our attention on the health and safety of our staff and students and the transition to a distance learning model. Our attention will now be focused on reopening schools while continuing to make health and safety a priority. Due to the fact that 47% of our District's funding comes from State Aid, we will be following guidance/mandates from the State and may be limited in what we are able to do in order to remain in compliance. Our best success will come from unity.

To assist our work at Chenango Valley, I attended two recent webinars. The first highlighted the implications that the enacted 2020-2021 NYS budget would have on school districts. A few main points were: Foundation Aid stayed flat, there was a \$95.6 million increase in traditional formula-based aid which is only a 0.35% increase, STAR kept the same income eligibility, and the Revenue Reduction Plan included three reassessment periods (4/30, 6/30, 12/31) which can result in our State Aid being significantly impacted (therefore, it would be prudent for districts to keep in mind the possibility of mid-year cuts when adopting a budget). We heeded the advice and are not using any reserves. Another webinar was "COVID-19: Addressing New Challenges, New Issues, New Questions." In this webinar, Acting Commissioner Tahoe and Deputy Secretary Fuller discussed Regents exams, assisting schools with technology and flexibility of smart bonds, 180 day requirements, special education guidelines and compensatory services and distance learning plans emphasizing ALL students need to receive continuity of learning.

The Board of Regents and the New York State Education Department created four regional task forces to help develop guidance and regulatory changes to enable our schools to continue to safely educate our students. I was honored to be selected to serve on this task force. We met virtually and listened to experts in the field and then broke out into subgroups (Health & Safety; Transportation, Facility & Nutrition; Teaching and Learning; Digital Equity & Access; Budget and Fiscal; Social-Emotional Needs; Special Education; Bilingual Education/Multilingual Learners/Bilingual Learners; and Staffing/Human Resources). We discussed the greatest challenges schools would have in the three instructional models: in-person, remote or combination. We discussed creative solutions to these challenges and also how the Regents and Department can help eliminate budgetary and regulatory obstacles. The Regents assured us they will listen and use the information learned in providing guidelines for reopening schools.

Our students have been excellent examples of the importance to consistently exemplify integrity and work together. This school year presented unique challenges and opportunities. We, as a District, planned things that would help all of our students celebrate their accomplishments: parades, signs, adopt-a-senior, a graduation plan with family input, and all of the individual things our staff did at all levels. Congratulations to our Senior Class. May the lessons you learned here help to guide you in the future. Bernice Johnson Reagon, a civil rights activist, once said, "Life's challenges are not supposed to paralyze you. They're supposed to help you discover who you are." We are in the midst of challenges in our world and I believe we can find great comfort in knowing that as we discover ourselves, our roots are deep and our Chenango Valley family is strong.

Thank You for Your Support!

Thanks to all who have provided a hand to our school community during these challenging times. Through that teamwork and support, we continue to grow and work towards a brighter future. Thank you to our faculty, staff, administrators, BOE, SROs, parents/guardians, students and local businesses who've helped out. Here are just a few of the many ways our community has shown it's #CVWarriorStrong.

In April, the Town of Chenango donated 160 masks that were given out with meals distributed at our Chenango Valley High School site. In addition, many of our faculty and staff members helped to sew and create masks to donate to members of our local community.

CV SADD Shares Gratitude

In April, members of the Chenango Valley High School SADD (Students Against Destructive Decisions) Chapter worked together to create a message reading "CV SADD thanks those who are on the front line guiding America forward and keeping us safe." This was shared as a token of appreciation for those working on the front line.

From March-June 2020, a total of 56,036 grab-and-go meals were distributed at the CV High School site. Thank you to all who made this possible, including our food services staff and volunteers.

Through a generous USDA donation, Chenango Valley was able to deliver approximately 150 food boxes to CV families during the month of June.

Thanks to a kind donation from Upstate Farms, on May 21, Chenango Valley was able to distribute free milk to our Warrior Community. Thank you to all who volunteered to help out!

Snapshots of Remote Learning

While school was far from normal during our 2019-2020 school closure, our teachers and students continued to show innovation and creativity as classrooms transitioned to digital formats. Below are just a few examples of the hard work that our Warriors put into remote learning. You can see more examples on our District website (www.cvcasd.stier.org).

Students in Mr. Kammerman's ELA class had fun creating video projects.

Examples of Mrs. DeBellis's students getting creative with art and reading!

Dear Aldi Workers,

Thank you for working during these hard times. When people still need food or ~~toilet paper~~ you are there to help. It's so helpful just to be willing to keep going, but grocery store workers are doing more than that. You make the sacrifice to keep working and you take the risk. You help the community. Thank you for that!

Thanks again,
CV student

We have to keep
Our distance but
That is okay

This virus will
Leave another day

Many people are
Fighting but we
Are rising, helping
In every way

Mrs. White and Ms. Brennan's ELA students created poems and thank you cards for essential employees, among other projects.

Capital Project Update

Despite everything happening with the COVID-19 pandemic, construction at Chenango Bridge Elementary School has continued. After a slight pause due to the Governor's Executive Order to stop construction activities, it was later clarified that school construction projects could continue under the requirements that proper social distancing and cleaning and disinfection occur. Prior to this Executive Order, construction was actually ahead of schedule, so this delay should not have much of an impact on our timeline. Within the building, walls are painted, a majority of the floors are in, ceilings are installed, and electrical and plumbing systems are close to completion. However, with manufacturing facilities shut down for a period of time, there were delays in getting some of the remaining materials to the site for completion. Although this caused a slight delay to the original planned completion, Chenango Bridge Elementary is on schedule to be completed in time for the anticipated fall occupancy.

Public Notice

The Chenango Valley Central School District has completed the inspection of all schools and buildings to determine the condition of asbestos that is present, and whether any action is required to avoid potential health hazards for students, employees and visitors. A management plan has been developed in accordance with the Asbestos Hazard Emergency Response Act (AHERA), to ensure the continued provision and maintenance of a safe environment for students, employees and visitors. The management plan includes training of maintenance staff to prevent disturbance of asbestos, periodic re-inspection, surveillance, and limited abatement by trained personnel.

Please note that the comprehensive, triennial inspection occurs once every three years. A surveillance inspection of the asbestos-containing building materials occurs every six months, typically during the months of December and July. Monitoring of these building materials occurs on a continuing basis. A copy of the management plan is available at the district office. If you would like further information regarding this matter, please contact the Chenango Valley Facilities and Operations Department at (607) 762-6860.

Pre-K & Kindergarten Registration

.....
If you have a child who will be four or five years old by December 1, 2020, please call (607) 762-6821 to be placed on a mailing list to receive registration information for pre-K or kindergarten. You can also visit the Port Dickinson Elementary webpage for more information: www.cvcscd.stier.org/portdickinsonselementary_home.aspx

Please note: If your child was in the Pre-K Program at Port Dickinson Elementary for the 2019-2020 school year, they will automatically be enrolled in kindergarten beginning in September 2020.
.....

Important Message from Our Health Office

There are students in the Chenango Valley School District who have a severe allergy to nuts, peanuts and peanut products. Strict avoidance is the only way to prevent an allergic reaction. The allergy can be life threatening.

In an effort to provide a safe learning environment for these students, we ask that you do not send in any foods which contain nuts, peanuts and/or peanut butter for your student to snack on during the school day. Peanut/nut products may be in your child's lunch, but must be eaten in the cafeteria and not in the classroom, hallway or school bus, including sporting events and field trips. Your cooperation in this matter is greatly appreciated.

PLEASE NOTE: Due to the public health crisis and other factors, the following events will be postponed/not held this upcoming school year. Additional updates will be shared on our District website.

- The Port Dickinson School Building's 100 Year Celebration - This event will not be held on Saturday, September 12, as previously advertised. A future date will be communicated as it becomes available.
- The Chenango Valley Alumni Association's 2020 Hall of Fame event has been canceled for this upcoming school year.

Chenango Valley Community Schools

Chenango Valley is partnering with Binghamton University and its New York State Education Department Central/Western Community Schools Technical Assistance Center (C/W CS-TAC) to become a Community School. As both a place and a set of partnerships, a Community School brings together educators, families and community stakeholders to attain collective impact. Using this statewide strategy, the school acts as a hub (brick and mortar or virtual) to connect and cultivate community assets and then link students and families with them. The Community School strategy aims to expand and enrich learning opportunities, engage families as leaders, improve access to mental health and health services, and strengthen community connections.

A Community School strategy supports our mission to inspire, engage and empower all students to achieve their full potential. Over the past year, Chenango Valley has established a Community Schools Advisory Team. This team consists of school leaders and parent members. It is supported by the Binghamton University Community Schools (BUCS) Regional Network and the Community Schools Technical Assistance Center (CS-TAC). During this school year, we met five times, assessed current practices, administered a family survey in the late fall/early winter, and participated in a site visit from the CS-TAC. The data gathered during this work will drive our goals for next year. The focus of the Chenango Valley Community Schools Team is centered around the idea of connection and collaboration: connection to and with our students, families, community and agencies, as well as collaboration within our school and within our community.

Elementary 'Summer Send-Off Celebration'

Thank you to all who helped to make our June 15 elementary "Summer Send-Off Celebration" such a special event. We are so grateful for all of our amazing Warrior students and families!

CV Named 'Kindness Certified District'

CV has officially been listed among "The Great Kindness Challenge" Kindness Certified School Districts! The goal of the challenge was to continue promoting a positive and caring learning environment. The free program included a checklist of random acts of kindness for students and educators to complete to see the impact that even a small act of kindness can make.

'Show of Love' Focuses on Positive Life Lessons

Thank you to Mr. Joe Trionfero who enthusiastically led a "Show of Love" character education assembly for Chenango Bridge Elementary students and educators on February 28! Through fun games and songs, the presentation focused on topics such as the power of positive peer relationships, respect and empathy.

CV High School Named Among 'Recognition Schools'

Chenango Valley High School has been identified among the New York State Department of Education's "Recognition Schools". This merit is based on high academic achievement and substantial progress under New York's Every Student Succeeds Act plan.

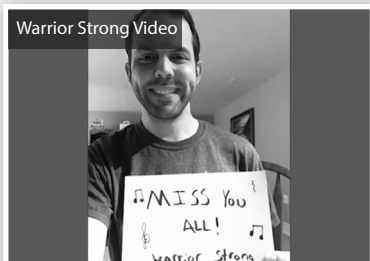

Primary Project Extends to CB Elementary

Chenango Valley was awarded a \$12,394 grant to extend our Primary Project program that has been so successful at Port Dickinson into Chenango Bridge Elementary! The program helps students adjust to the classroom so that they are better able to focus on learning. Students work with a trained Child Associate, with sessions designed to promote expression and independence.

CV Competes in Robotics State Championships

Wonderful job to our CV Middle School and High School Robotics teams who competed in the Northern New York State VEX Championships in Syracuse on February 29! Both teams had a great time building upon their skills and competing with students from a variety of school districts.

Principal Messages

Port Dickinson Elementary (Pre-K - Grade 2)

Our "Positivity Project" theme for Port Dickinson Elementary School, as well as our entire district, for the 2019-2020 school year was "Other People Matter". It has been an exciting year as we moved into our beautifully renovated building and a challenging year as we went to remote learning this spring. Through it all, we could not have done it without the consistent hard work and support of our faculty, staff, families and our awesome "Port Dickinson Little Warriors."

With the remote learning in place, we all spent time together on many virtual platforms, such as Seesaw and Zoom. We were able to share our annual second grade slide show, thanks to the excellent work done by the CV Elementary PTA. A special shout out to Mrs. Lindsey Miles and Mrs. Brooke McCall for their care and love to make this special for our second grade students.

It is so important to recognize and extend a very special "thank you" to Mrs. Elizabeth Krukowski, our Speech/Language Pathologist at PD Elementary, who retired this year in June. Mrs. Krukowski has had a positive impact on our students and our school community. Additionally, at the elementary-level, we wish a "happy retirement" to Mr. Ted Hoffman, physical education teacher and coach at Chenango Valley, and Mr. James Pritchard, Principal at Chenango Bridge Elementary School. Your dedication and contribution to the Chenango Valley school community is very much appreciated.

Thank you to our faculty, staff, families and awesome students who have worked together in so many different ways during this challenging and unprecedented school year. It is an honor and privilege to work in a wonderful school and community. Have a fantastic summer with your family and friends. Enjoy the sunshine and have fun! Stay safe! Stay healthy! Stay Warrior Strong! We look forward to continuing to inspire, engage and empower our Warriors in the 2020-2021 school year!

Mary Beth Hammond,
Principal, Port Dickinson
Elementary

Chenango Bridge Elementary (Grades 3-5)

Thank you, parents and guardians, for all of your hard work this spring. It was a challenge for all of us to work with the new platform of remote learning, but we have done an excellent job in meeting that challenge during truly unprecedented times. We have proven that we truly are Warrior Strong.

We are sad to say goodbye to several retiring staff members. This includes CB physical education teacher Mr. Ted Hoffman who has taught at Chenango Valley for over 22 years. I will also be retiring after working with the District for 17 years. It has been my pleasure to be a part of this school community. I would like to welcome Suzanne Stephenson to Chenango Valley. Mrs. Stephenson is excited to be our new Chenango Bridge Elementary Principal and looks forward to working with our students and families.

The capital project is coming along well. Due to the coronavirus, we've had some delays. However, we are hoping to begin moving back to our home on River Road in the month of July. Our staff has been busy packing up our things at St. Francis to be moved to the Chenango Bridge building for the 2020-2021 school year.

Despite all of the hard work and challenges, we are excited about the fall. I would also like to thank you for making our school parade a success. We had a wonderful turn out.

Just a reminder to parents and guardians that student supply lists for each grade can be found on the District website at: www.cvcasd.stier.org/SchoolSupplyLists.aspx

Our "Positivity Project" theme was "Other People Matter" for the 2019-2020 school year. We want to continue to make positive impacts throughout the summer. The faculty and staff at Chenango Bridge want to wish you all a safe and fun summer with your families.

Jim Pritchard, Principal,
Chenango Bridge Elementary

Welcome, Principal Stephenson!

As we wish Mr. Pritchard the best in his retirement, we are excited to welcome Mrs. Suzanne Stephenson as the new Chenango Bridge Elementary Principal. Mrs. Stephenson joined our Chenango Valley team on July 1, 2020. She comes to us from the Union-Endicott Central School District. In her 23 years at Union-Endicott, Mrs. Stephenson worked as an elementary teacher and as a Literacy Coordinator. She was also the vice-president of the Union-Endicott Education Foundation, a district committee that funded professional learning opportunities and projects. Mrs. Stephenson is excited to be a part of the Chenango Valley Central School District. She looks forward to meeting all of the families, students and staff!

Principal, Chenango Bridge
Elementary (Starting 2020-21
School Year)

Principal Messages

Chenango Valley Middle School (Grades 6-8)

The “Positivity Project” theme for CV Middle School, as well as the District, for the 2019-2020 school year was “Other People Matter”. The students, faculty and support staff truly embraced the importance of working hard in all aspects of life, in school and out of school. I would like to sincerely thank all of our students, families, faculty and support staff for making the best of the most difficult times. This has truly been a school year for the record books.

Educators, students and families have been confronted with the remote learning school dynamic and all that was lost as we left our school buildings, moved school onto the World Wide Web and into your home. We found ourselves contemplating all that can and cannot be accomplished without face-to-face interactions. We did not just “kind of miss” being in the building, in many ways, we were lost without the face-to-face interactions that we took for granted before this all started. Face-to-face relationships are so important to a student’s education. As educators, we have always talked about the three “R”s – Reading, wRiting, and aRithmetic – but now we need to add the fourth “R” – Relationships. We all learn better when we have strong positive relationships with the teachers, faculty and with other learners around us. We’ve built strong relationships that helped carry CV Middle School throughout the quarantine. We love our students and will continue to work hard to maintain these relationships.

Congratulations eighth grade students – you made it! Because of the pandemic and school closure, I created a virtual presentation for the third annual “Eighth Grade Moving Up Ceremony.” The link for the virtual ceremony may be found on our District website. We felt it was important to honor our eighth grade students who are transitioning to CV High School. We wish them much success in high school and beyond. A special thank you goes to Mrs. Schmitz, Mrs. Garges and Mrs. Samson for organizing the program.

I would like to sincerely thank the entire CV Middle School community for its continued support throughout the school year during these unprecedented times. I wish you and your families a relaxing summer vacation.

Stay Safe. Stay Healthy. Stay Warrior Strong.

- This summer, letters will be mailed home with CV Middle School information for the beginning of school. *Please check the website for updated student supply information.*
- Middle School Orientation – *More information to follow.*

Eric E. Attleson,
Principal, CV Middle School

Chenango Valley High School (Grades 9-12)

Although this spring wasn’t what was anticipated here at CV High School, we embraced the changes and worked hard to finish “Warrior Strong”! The “Positivity Project” character traits were especially important during the last part of the school year. Thank you to the teachers, staff, students and families for your patience, perseverance and accommodation during this time! I truly believe this is making us stronger and more resilient!

Teachers worked to incorporate Zoom meetings, found creative ways to teach their content virtually, and communicated with students and families through various platforms. Students had their Chromebooks and took it all in stride. Even when technology wasn’t working its best, they found ways to keep in contact with their teachers and the school. Parents learned first-hand what goes into being a high school student in the 21st century - which was a learning curve for some!

Congratulations and best wishes to our retiring faculty: Mr. Paul Reed (science), Mr. Al DiRusso (Spanish), Mrs. Sue Perry (Latin), and Mr. Chris Ruf (Library Media Specialist). Thank you for your dedication to our students, staff and families! I hope you have many years of fun and relaxation in your retirement! You will be missed here at Chenango Valley!

I’d like to take a moment and congratulate our Senior Class of 2020. Little did they know that their last moments here at Chenango Valley would be the most trying of them all. I’m so proud of how they handled it all - they took it in stride and hopefully created new memories! A special thank you to Ms. Edwards, the Senior Class advisor, for being creative with our end-of-the-year activities! Also, thanks to the Post-Prom Committee for the Facebook Live event, the staff for “adopting” a senior, the transportation department for helping to deliver senior signs, and the community for helping this year’s seniors to feel special. I hope they will look back on their time at Chenango Valley fondly.

Lastly, although we may not know exactly what the fall will look like, I’m confident we have learned and grown from this situation. We will continue to be flexible during these unprecedented times. I hope everyone has a wonderful summer!

2020 'Warrior Awards' Virtual Athletics Ceremony Recognizes Student-Athletes

While it was a virtual event, and despite the loss of our spring athletic season due to the pandemic, the second annual "Warrior Awards" athletics ceremony recognized student-athletes for some notable achievements during their 2019-2020 seasons. Guest speaker Mr. Bill Clark (a Chenango Valley teacher, weightlifting world champion and record holder, international Olympic weightlifting champion, and motivational speaker) also shared an empowering message in the video. "The obstacles, if you choose the right ones, are never the enemy. They are your ally. They open the door for you to become something that maybe you never thought you would," Mr. Clark said in his speech. The following awards and recognitions were also shared during the event. To see the full video, and all recognitions, visit our District website (www.cvcvstier.org).

District News

CV Middle School sixth through eighth grade students had fun taking part in the school's tenth annual Cardboard Boat Races on February 27! In addition, families enjoyed some educational fun at "STEAM Night 2020"!

Third grade students recently sent letters digitally to the Elizabeth Church Manor nursing home. The letters were printed and staff members shared them with the residents. With the help of their family members, some of the students were even able to virtually "visit" the residents to say hello, chat and read their letters aloud. Employees from the nursing home say the letters and special virtual "visits" brightened the spirits of everyone in the facility.

Through a creative writers contest sponsored by Young Writers, Chenango Valley had 14 students' pieces of writing of 100 words or less published in a book titled "Mission Contamination." The contest was sponsored locally by the Chenango Valley Literary Arts Magazine ("The Mind's Eye") with advisor Mr. Ruf working closely with both high school and middle school English teachers to coordinate the project. CV students featured include Katlyn Marie Douglas, Avolyn Williams, Jennings Terrell, Kaida Warwick, Tywala Stafford, Julia Vazquez, Cole Trebilcock, Alyssa Campbell, Ava Platner, Haley Smith, Summer Champion, Owen Staub, Caleb Schwarz and Morgan Whittington.

Awesome job to all students who participated in this year's Chenango Bridge Elementary Poetry Recitation in March! Congrats to Madeline and Austin who were chosen to represent Chenango Bridge Elementary at the Eleanor Henricks Countywide Poetry Recitation. Unfortunately, this recitation was not able to be held in April as originally planned.

A big thanks to all who supported the Big Gifted Give in February! The event raised a total of \$7,812! \$7,220 of the total went to the Warrior Fund to help CV families. The remainder was donated to Catherine's Cupboard, which also serves families in our District.

Thank you to all who helped to make Chenango Valley's "Community Night" such a fun event filled with Warrior Pride!

Chenango Valley Named Among '2020 Best Communities for Music Education'

Chenango Valley has been named among the "NAMM Foundation Best Communities for Music Education" for the second year in a row! This speaks volumes about the hard work, commitment and talents of our students, music department educators and Warrior Community! Way to go, Warriors!

In March, fourth through 12th grade students sang in the "Warriors for Positivity Choral Concert" with musical pieces inspired by "Positivity Project" character strengths.

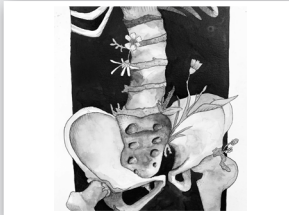

Congratulations to our CV High School student artists who placed in the 2020 Regional High School Emerging Artists Show and Competition. Amazing job to all students whose work was featured in the show! More artwork can be seen on our website.

Congratulations to Lucas Hoyt and Abigail Mercik who were accepted into the annual juried show "Master & Grasshopper" at Mansfield University. The exhibition featured aspiring high school artists alongside the artwork of their teachers.

While the exhibition ended up being held digitally, CV is proud to announce that Lucas Hoyt received a "Best in Show" recognition for his pair of vessels "Ocean Floor" and "Tree"!

CHENANGO VALLEY 2020 DISTRICT ART SHOW

A selection of our year's work!

UNFORTUNATELY DUE TO THE CLOSURE WE ARE ONLY ABLE TO OFFER A SMALL SELECTION OF WORK FROM OUR COURSES. MANY PROJECTS ARE NOT DOCUMENTED, BUT THAT DOESN'T MAKE THEM ANY LESS GREAT! THANK YOU FOR UNDERSTANDING AND ENJOY!!!

The Chenango Valley Art Department worked hard to put together a digital art show to help showcase some of the amazing artwork of our Warriors! While only a small selection of artwork was able to be documented, we are so proud of all of our wonderful Warrior artists! You can check out the art show through our District website (www.cvcasd.stier.org).

In February, the Chenango Valley High School Theatre Guild put on a fantastic production of "Hello, Dolly!" This beloved musical centers on Dolly Levi, a socialite turned matchmaker, who decides the next match she needs to make is for herself. Set in New York City in the 1890s, "Hello, Dolly!" is filled with charisma and heart. Wonderful job to our cast, crew and all involved who helped to make this show so exceptional with its acting, singing, dancing, sets and costumes!

Senior Class Advisor Sue Edwards reads the names of prize winners with the help of members of the Post-Prom Committee and our Warrior mascot!

Prizes from the Post-Prom Committee's Facebook Live event and surprise "Adopt-A-Senior" gifts from CV faculty and staff were delivered to the homes of each CV senior on June 24. Thanks to all who contributed and helped to make these special gifts possible for our Class of 2020!

Chenango Valley Class of 2020

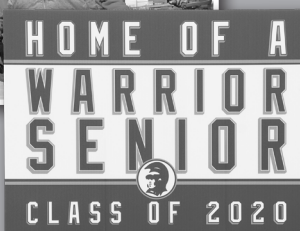

The Front Porch Project

Thank you to Mr. Ruf and Ms. Edwards for organizing a special "Front Porch Project" for our Class of 2020 graduates.

Students had the ability to opt-in to have individual and family photos taken from their homes to be shared in this special keepsake booklet.

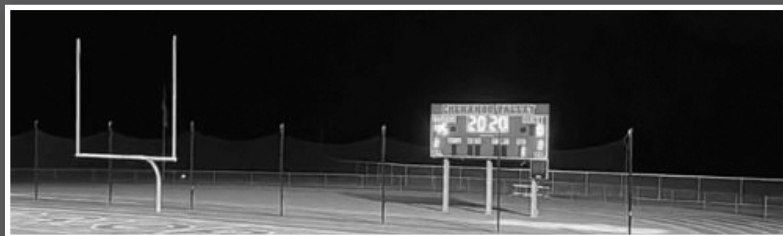

Chenango Valley High School seniors received a special surprise on April 16. With sponsorship from the Senior Class, Student Council and SADD, Principal Ostrander and Ms. Edwards placed "HOME OF A WARRIOR SENIOR CLASS OF 2020" signs on the lawns of each senior's home to show support.

The Chenango Valley Central School District wishes the best of luck to Class of 2020 graduate Kieran DuBord who plans to join the U.S. Army.

On April 24, Chenango Valley joined in the nationwide #BeTheLight movement. The District lit up our stadium and scoreboard to recognize our spring sports student-athletes. A special Senior Night acknowledgement began at 8:20 p.m. (20:20 in military time) and the names of all spring senior athletes were recognized.

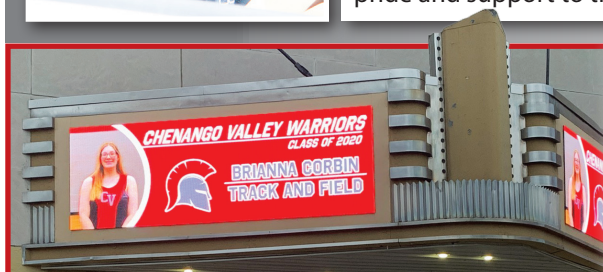

Congratulations to Dominick Lomonaco and Caleb Schwarz who both earned the New York State Seal of Biliteracy. They received this distinction on their diplomas. As a result of hard work and dedication, Dominick received this distinction for Spanish with Mr. DiRusso as his mentor. Caleb received this distinction for French with Madame Henyan as his mentor. Mr. Italiano mentored both for their English proficiency.

CONGRATS, CLASS OF 2020

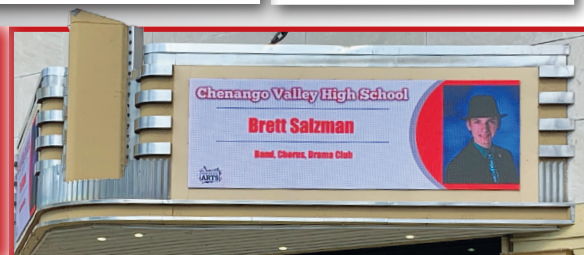

Thank you to all who worked hard to create a special celebration for our Class of 2020 Warriors, despite unprecedented circumstances. Following New York State guidelines, all seniors were able to be present throughout the ceremony, with two guests per graduate being able to watch their senior receive their diploma in assigned groups. The event would not have been possible without the support of our Warrior Community.

In lieu of the traditional Senior Walk through Chenango Valley school buildings, Chenango Valley High School hosted a Senior Parade to show pride and support to the Class of 2020!

Thank you to Broome County for recognizing performing arts seniors and spring senior athletes on the Broome County Forum marquee!
