DISCUSSION: Our committee met on Monday, November 4th to discuss options for communication with the community prior to the straw vote which will take place in December. Mrs. Snyder shared a draft of what she was suggesting for an insert the the next Newsletter. This was reviewed in the meeting and sent to all Board members that week. It was suggested that we work with Chenango Forks so that the information sent to both districts was consistent. Mr. Abbey was going to reach out to Allen Buyck, District Superintendent of Schools for Broome-Tioga BOCES to see if he would coordinate those efforts. Mrs. Snyder and Mr. Gill have been keeping us up to date on information that is being sent to community members. Postcards were recently distributed and the newscaster inserts will be sent in the near future. Getting feedback from students was also discussed. A draft survey was reviewed and may be given to students after the December vote. Mr. Gill has been meeting with some of the students in their classrooms to answer any questions they may have.
