**DISCUSSION:** <u>Areas that may need to be covered in the next Newscaster were identified (deadline 2/15).</u> Upcoming events were discussed so that Mrs. Snyder would be aware of what may need to be covered in the next few months. Changes to the website were discussed. Some of the suggestions mentioned were having more pictures available of student work and activities (photo gallery); more athletic information such as team participant names and schedules; videos of band performances and participant names. Mr. Elliott has been working with Ms. Gleason on the Data Dashboard. Mr. Elliott shared the suggestions he presented to Ms. Gleason with the rest of the committee. It was suggested that we may want to utilize the survey portion of the website to obtain information in other area. Mrs. Snyder is currently working on developing an Employee Newsletter. This will be used disseminate internal information.
