What: Perspectives Modules from Constructive Dialogue Institute

Cost: Free

Purpose: Online lessons, teaching strategies, and classroom exercises are designed to improve classroom climate, foster belonging, and facilitate constructive dialogue in classrooms

High School

Raised proficiency level for 4 Regents exams (Alg 2, Earth Science, Chem, Physics)

Raised mastery level for 5 Regents exams (Alg 1, Geometry, Algebra 2, Living Environment, Chem)

Met with teams of staff to review HS systems and practices.

Targeted Student/Family summer meetings

Goals for the HS: Decrease skipping class and chronic absenteeism, continue PLC work, work on Student behavior that includes vaping/THC, and disrespectful behavior

Warrior Study Hall will be back, P2 will have a new focus.

Reviewed regents' results

Middle School

Met with teams this summer.

PLC work will continue all teams.

Will focus on 6-8 NYS testing-it's all about the text (not the test)

The number of students who took the state exams this year increased. There was a big effort to reach out to parents of non-test takers in the past years.

Pineapple express teachers visiting other colleagues classrooms will continue this year.

Common Formative Assessment development will continue.

P2 work will continue.

Attendance committee

Chenango Bridge

PLC is working on the 3 big ideas and 4 questions.

Will revisit the Guiding Coalition and will be setting norms and goals.

Benchmarking will be completed by September 29th.

New bookroom. Literacy committee developed a system for checkouts.

Math Essential work will continue. PD will center around Thinking Classrooms/Math Stations.

Port Dickinson

PLC will work on the 4 essential questions.

PD teams and committees will establish and follow consistent norms and accountability measures.

New bookroom

New units of study in reading and writing

New F and P benchmark system

Math Talks

Workshop Model/Math Stations

Eureka math models.

Attendance committee establish a consistent meeting schedule.

Family connection will include regular building communications, family communications, and building community events.

Book review

Will review the book Long Way Done to be included in Enriched English 10.
