4. New K-5 Science Curriculum

-Overview of process and committee information

- Three vendors reviewed- Amplify, STEMScopes and Foss.

-Committee chose STEMScopes because:

-cost-effective

-fully aligned to NYS Science Learning Standards

-Include leveled ELA and Math components

-fully digital

-customer service

5. 3rd Quarter Data Dashboard

-Reviewed 3rd marking period Professional Learning Updates and well as Strategy Updates. There has been a tremendous amount of work accomplished in both areas at all levels and the data reflects that.

-Data for all buildings was reviewed. Discipline in the secondary schools is an area of focus. The administration will be breaking that down to figure out what type of disciplinary issues are occurring and where we need to focus our resources.

6. AP and Fast Forward Offerings

-Reviewed philosophy of college classes vs. AP

-Reviewed current college and AP course opportunities and discussed the District's philosophy of offering both AP and college classes/exams

-Goal is to offer at least one AP course/exam in each department in the 2019-2020 school year and continue to grow in subsequent years.

7. Adjourn Meeting at: 6:12pm
