7.8 A NATION DIVIDED: -Westward expansion -The industrializati on of the North -The increase of slavery in the South -The growth of sectionalism. (Standard: 1, Theme 3)	 Students will explore: -As the nation expanded geographically, the question of slavery in new territories and states led to increased sectional tensions. Attempts at compromise ended in failure. Students will examine attempts at resolving conflicts over whether new territories would permit slavery, including the Missouri Compromise, the Compromise of 1850, and the Kansas-Nebraska Act. Students will examine growing sectional tensions, including the decision in <i>Dred Scott</i> v. <i>Sanford</i> (1857) and the founding of the Republican Party. Perspectives on the causes of the Civil War varied based on geographic region, but the election of a Republican president was one of the immediate causes for the secession of the Southern states. Students will examine both long- and short-term causes of the Civil War. Students will identify which states seceded to form the 	Gathering, Interpreting, and Using Evidence Chronological Reasoning	Civil War Introduction-Inquiry Antebellum Quiz	Inquiry-Significance of the Civil War Joy Hakim's <u>Freedom A</u> <u>History of Us</u> series Interactive notebook BOCES Webmax clips Primary Documents Ken Burns Civil War series	September- October

8.2 A CHANGING SOCIETY: -Industrializat ion -Immigration -Urbanization -Progressive Movement (Standard 1, Themes 2 and 8)	 of organizations such as the Ku Klux Klan and White Leagues. Students will examine the ways in which the federal government failed to follow up on its promises to freed African Americans. Students will examine the effects of the <i>Plessy v. Ferguson</i> ruling. Students will explore: Technological developments changed the modes of production, and access to natural resources facilitated increased industrialization. The demand for labor in urban industrial areas resulted in increased migration from rural areas and a rapid increase in immigration to the United States. New York City became the nation's largest city, and other cities in New York State also experienced growth at this time. Students will identify groups of people who moved into urban areas, and examine where they came from and the reasons for their migration into the cities. Students will explore the immigrant experience at Ellis Island. Students will compare and contrast immigrant experiences in locations such as ethnic neighborhoods in cities, rural settlements in the Midwest, Chinese communities in the Far West, and Mexican communities in the Southwest.  Students will examine examples of yellow journalism that contributed to United States entry into the Spanish-American War, including the portrayal of the sinking of the USS <i>Maine</i>. Students will explain how the events and outcomes of the Spanish-American War contributed to the shift to imperialism in United States foreign policy. 		
-Interest in Pacific trade contributed to an increase in United States foreign interactions.		
 Students will assess the events surrounding the annexation of Hawaii. Students will examine the purpose and effects of the Open Door Policy. 		
- The Roosevelt Corollary expanded the Monroe Doctrine and increased United States involvement in the affairs of Latin America. This led to resentment of the		

	 United States among many in Latin America. Students will evaluate the United States actions taken under the Roosevelt Corollary and their effects on relationships between the United States and Latin American nations, including the building of the Panama Canal. 				
8.4 WORLD WAR I AND THE ROARING TWENTIES: -Various factors contributed to the United States decision to enter World War I. -Involvement in the war significantly altered the lives of Americans. -Postwar America (Standard 1, Theme 10)	 Students will explore: -European militarism, the alliance system, imperialism, and nationalism were all factors that contributed to the start of World War I. -International, economic, and military developments swayed opinion in favor of the United States siding with the Allies and entering World War I. Domestic responses to World War I limited civil liberties within the United States. > Students will examine an overview of the causes of World War I, focusing on the factors leading to United States entry into the war. > Students will examine examples of war propaganda and its effects on support for United States involvement in the war. > Students will examine the restrictions placed on citizens after United States entry into 	Gathering, Interpreting, and Using Evidence Chronological Reasoning	Great War Test	Hakim's <u>Freedom A</u> <u>History of Us</u> series -Interactive notebook -BOCES Webmax clips -"Over There" song -Primary Documents	April

 Espionage Act (1917) and the Sedition Act (1918). New military technologies changed military strategy in World War I and resulted in an unprecedented number of casualties. Students will examine the effects of the changes in military technologies used during World War I, including trench warfare, chemical weapons, machine guns, and aircraft. Following extensive political debate, the United States refused to ratify the Treaty of Versailles. The United States then sought to return to prewar policies by focusing on domestic rather than international matters. Students will examine Wilson's Fourteen Points and investigate reasons why the United States Senate refused to support the Treaty of Versailles, focusing on opposition to the League of Nations. After World War I, the United States entered a period of economic prosperity and cultural change. This period is known as the Roaring Twenties. During this time, new opportunities for women were gained, and African Americans engaged in various efforts to distinguish themselves and celebrate their culture. 	1920's Quiz
