Chenango Valley Central School District
Graduation 2014

Message from the superintendent

David Gill
Superintendent

At Chenango Valley, our students and staff believe it, achieve it, and excel. With the 2013-14 school year behind us, I'd like to reflect on the many ways our students and staff believed, achieved and excelled throughout the year.

Improved test scores, increased implementation of the Common Core Learning Standards, a record number of students in the rigorous New Visions Career Academy program, enhanced literacy focus through Reading Promise, Parents as Reading Partners and several poetry events, family-focused academic events such as Math Night and Literacy Night, and three sold-out performances of our high school musical are among the 2013-14 successes we celebrate.

Congratulations, Class of 2014!

Diplomas were granted to 142 students during an evening ceremony on June 27 at the CVHS football stadium. Families and friends filled the stands and cheered as students received their hard-earned degrees. Congratulations and best wishes to all our graduates.

2014 top scholastic achievers

David Bremer, Valedictorian

David is a member of National Honor Society, Mathletes, Interact Club and yearbook staff. He has completed over 100 hours of volunteer service to the Kopernik Observatory & Science Center, and was also involved with Mended Little Hearts.

David received the Bausch & Lomb Honorary Science Award, the National Merit Scholarship Program Letter of Commendation, 3 Achievement Awards in Mathematics, 2 Achievement Awards in Science, 1 Achievement Award in English, Social Studies and DDP, Effort Award in Science. David has been accepted into the Binghamton University Scholars Program and plans to major in mechanical engineering.

Turning of the tassel

Traditionally, the moving of the tassel symbolizes the transition from candidate to graduate. The tassel is worn on the right side of the mortarboard and is then moved to the left side during the graduation ceremony.

Special Achievement

Sarah Kellogg receives 'Outstanding Student' award

Sarah Kellogg recently received the Outstanding Student Award from the Broome-Tioga BOCES School-to-Careers program.

One student from each of the school districts in the Broome-Tioga BOCES region received the award in recognition of achievements in career-related programs, good citizenship, community service and career planning.

Sarah is pictured at right with her family at the awards ceremony at Broome-Tioga BOCES.

Congratulations, Sarah!

Important transportation notice

What bus will my son or daughter ride next school year? What time will he or she get picked up and dropped off?

The Chenango Valley Transportation Department works very hard to accommodate the changing transportation needs of our students. In order to accommodate all those needs, we need accurate information on each student's home address, parent/guardian, care provider and after-school activities.

We accept daily changes to the bus schedule until 1p.m. on full days and 10 a.m. on half days, at 762-6850. For permanent changes, please send in a new change form, which you can find on the school website: www.cvcasd.stier.org - under the Transportation Department link.

Over the summer months, we will be working to re-route our buses based on the number of students per route, bus capacity, and which school the students on each route are traveling to/from.

We will be sending out post cards in August with your child's bus information. If you have any questions, please contact the transportation office at 762-6850.

If your address, phone, or other information has changed or will change over the summer, please give us that information by July 31 so we can set up our bus routes for September.

Susanne L. Ticknor, supervisor of transportation

Brief, but beautiful blooming

The pear trees in front of our High School/Middle School delight us with beautiful white blossoms for a few weeks each spring.

Keeping you informed is goal of communication survey

District home page > “Communication Survey”

Please help us do a better job of providing information you with the information you need about CVCSD.

In an effort to improve communication with parents and community members, the Chenango Valley Central School District is conducting a brief survey. We'd like to know how you currently receive information about the district, and how you would prefer to learn such information.

To complete the survey, please visit the district website: www.cvcasd.stier.org and look for the “Communications Survey” link on the home page.

We will publish the results of this survey in the Newscaster this fall, along with periodic updates on our plans to improve communication.

Superintendent's message

continued from p.1

In our elementary schools, we saw success with innovative programs such as Drums Alive, the Wax Museum and the annual Chenango Bridge Science Fair. Port Dickinson was the top school in the American Heart Association's Jump Rope for Heart campaign, and a backpack program initiated this year provided weekend food assistance to 40 elementary students in need.

At the middle school, several anti-bullying efforts such as the year-long Olweus program, a presentation and message by local musician Jared Campbell, and a motivational program by Dr. Chris Xaver as part of the annual Wellness Day, helped reinforce the positive culture at CVMS. Other successes at the middle school were the Wellness Day activities, cardboard boat races, talent show and Baltimore/Washington, D.C. trip.

Among the many high school successes we celebrate are the French student exchange program, a successful new March Madness/Most Influential Person in History competition, medal winners in the regional Science Olympiad, and a third-place finish in the Central NY Feats of Clay ceramics competition. Our pilot iPad program gave us first-hand experience with technology at this level, and will serve as a springboard for an expanded program next year.

As always, CV was well-represented in All-County and All-State band and chorus. Eight CVHS students were named winners in the 2014 NY/PA Scholastic Art Awards, and many students participated in other local art exhibits and competitions.

Our athletes gave us plenty to cheer about this year. We celebrated division championships in girls swim (their 11th straight championship) and girls' cross-country, our girls' tennis team won the sectional title, and our golf team took second place in the STAC East Division. Many of our athletes qualified for All-Conference and/or state-level competition, with several individual students earning division championships. School records were broken in swimming and track. In keeping with our focus on academics, every one of our fall sports teams were designated as NYS Scholar-Athlete teams, meaning their combined GPA was 90.0% or above, and three CV students were featured as WBNG's Academic All-Stars.

As a district, we have a new and re-energized focus. With last year's proposed Chenango Valley-Chenango Forks merger behind us, we are currently developing a strategic plan that identifies our vision, mission and goals, and outlines specific action steps to achieve these goals. We're excited about the possibilities, especially because we know we can count on the support of our parents and community members. Chenango Valley is truly a community that cares, and we thank you for your partnership in educating our students. The overwhelming support for our 2014-2015 school budget, bus proposition, and the support of our local Town of Fenton Library were all district celebrations!

Our heartfelt congratulations go out to the Class of 2014. You've worked hard, and we wish you the very best as you leave CV prepared for great things!

To all of our Chenango Valley families: have a safe, enjoyable summer. We'll see you in September.

District News

Message from the Board of Education President

Gerald Abbey,
President
Board of Education

Much has happened this year at CV. We worked through the merger study and subsequent vote, hired our Superintendent Mr. David Gill, reorganized our administrative team and dealt with all of the new state education department initiatives. But through it all, our focus remained the education of the students entrusted to us by the families of Chenango Valley.

This summer and the next school year will again be busy as we move forward on a capital project referendum and another small capital project. Details will be forthcoming, and I hope you will support these projects. We will continue to work on ways to improve our delivery of a sound college-ready and workforce-ready education. Professional development opportunities for our administrators and faculty are based on cutting-edge work developed to bring education into the 21st century and beyond. This continuing education focuses on technology and its broadening effect on all facets of our everyday life.

iPad initiative to expand

You will see the expansion of our iPad initiative in the upcoming school year. All students in grades 9-12 will be issued an iPad. Professional development in iPads and the 'Flipped Classroom Model' of instructing with technology will be offered this summer and more classes and training will be offered as the school year begins. The other three buildings will also see more technology. Chenango Bridge and the Middle School will see new mobile carts added for laptops and iPads and Port Dickinson will begin using some new applications with their classroom iPads. Technology is here to stay and we must embrace it and grow with it or be left behind.

Please enjoy your summer, and for all our retuning students, families, faculty and staff - we'll see you in September and will be ready for another exciting year.

District census to continue during summer months

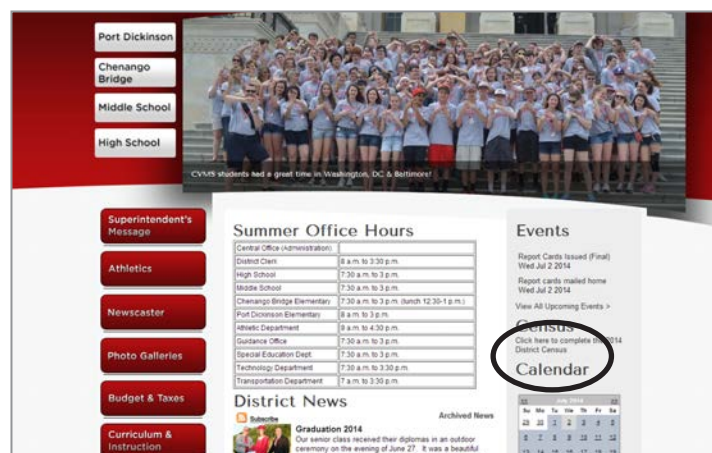

The Chenango Valley Central School District is currently conducting a census to help maintain accurate mailing lists and to plan for future enrollment needs.

If your household has not yet done so, please complete the census in one of two ways:

1. Online:

www.cvcgsd.stier.org

A link to the census form is located in the right-hand column on the district home page, as shown in the picture below:

2. In writing:

Contact the District Office, 762-6811 to obtain a form by mail. Return the completed form as directed.

Please note that only one census form per household should be submitted. Households not submitting a census form will be contacted a district representative during the summer. This contact may be by telephone or home visit. We ask for your cooperation as we work to improve efficiency and plan for our future needs. Thank you for your assistance.

District website offers online photo galleries

Hundreds of great photos of CV students in action are posted on the CV website: www.cvcgsd.stier.org. Click on the red "Photo Galleries" button on the left side of the home page to select a gallery from the list, which is organized by school.

Photo galleries include award ceremonies, prom night, graduation, concerts, assemblies, holiday events and more. Throughout each school year, we will add to the galleries as events take place within the district.

Board of Education welcomes three new members

The Chenango Valley Central School District Board of Education officially welcomed new members Stephen Carr and Michelle Porterfield Wilson, who were each elected to five-year terms beginning July 1, 2014, and Joel Luchun, who was appointed to a one-year term beginning July 1, 2014.

Board members Maureen Roberts and James DeGennaro retired from their seats June 30, and member Eric Rifenbury recently resigned, leaving one year remaining on his term. Joel Luchun was appointed by the board to serve the one year of Mr. Rifenbury's term beginning July 1, 2014.

The board, district and entire Chenango Valley community are grateful to Mrs. Roberts, Mr. DeGennaro and Mr. Rifenbury for their years of dedicated service to our schools.

Community members needed for school board committees

The CV Board of Education is looking for community members (must be district residents) who are interested in serving on a board committee.

Committees include: Audit & Fiscal Oversight, Budget, Buildings & Grounds, Communication, Educational Excellence, Policy, and Transportation.

If you are interested in serving on a committee, please contact District Clerk Susan Cirba at scirba@cvcasd.stier.org or call 762-6812.

Please note that there are a limited number of openings available to community members.

Four attend Rotary Youth Leadership Conference

Trevor Hope, Sarah Raichlin, Stephanie Orzelek and Olivia Trumino were selected to represent CV at this year's Rotary Youth Leadership Conference (RYLA). The 2014 conference was held at SUNY Oneonta the last week of June.

Aimed at developing the leadership potential of young men and women, the conference featured many challenging activities, including workshops, speakers, discussions, sports, music and news reporting. Topics focused on decision-making, critical thinking, effective communication, ethics, public service, contemporary problems and career development.

Congratulations to Trevor, Sarah, Stephanie and Olivia for being selected, and a special thank you to Rotary and its representatives for sponsoring our students.

Students win top honors in BOCES/SkillsUSA competition

Senior Olivia Wickham and junior Rhianna Henson each took first-place honors in the New York State SkillsUSA competition in Syracuse. SkillsUSA is a national organization serving students who are preparing for careers in trade, technical and skilled service occupations. The organization sponsors regional and national competitions where students work against the clock and each other, proving their expertise in their chosen career field.

Olivia and Rhianna participated in the SkillsUSA through their respective programs at Broome-Tioga BOCES. In the Syracuse competition, Olivia won as part of a four-person team in the cosmetology program, and Rhianna won as one of two members of a team from the television/video production program. They earned a spot in the National SkillsUSA competition in Kansas City, Mo. where they competed among over 5,800 students from across the country.

Career Expo at Binghamton University

On May 21, the tenth grade class attended Career Expo at Binghamton University. Career Expo is annual career awareness event sponsored by the Broome-Tioga BOCES, the Broome-Tioga Counselors' Association and Binghamton University. The program offers brief presentations by more than 70 business and community volunteers who educate students about their respective careers.

Students selected three presentations to attend from an offering of approximately 40 career categories. The students were given an information sheet that provided them with ideas of what questions to ask and information to gather.

Career Expo is an opportunity for students to gain knowledge about careers and the workplace. It gives the students an opportunity to ask questions and understand what employers are

looking for as well as the education, training and skills needed for their career interest. Approximately 1,600 sophomores from the Broome and Tioga County schools attended the event.

Awards night honors seniors

The 16th Annual Chenango Valley High School Senior Awards Night was held June 9. A total of 65 graduating seniors were honored and more than \$80,000 in scholarships were awarded.

Congratulations to all honorees. For a complete list of scholarship awards, see pages 6-7.

Two selected for State Conference

Luke Dionne and Reed Grunder were selected to represent CV at this year's 2014 Boys' State Conference held at SUNY Morrisville State College at the end of June.

Boys' State is a week-long leadership action program sponsored by the American Legion, where high school juniors participate in a practical experience designed to develop a working knowledge of the structure of government.

Program objectives include developing civic leadership and pride in American citizenship, fostering a keen interest in the detailed study of our government, encouraging young citizens to maintain our form of government and develop an understanding of American traditions and a belief in the United States.

Congratulations Luke and Reed and a special thank you to the American Legion for sponsoring our students.

Teen Intervene - Lourdes ADEPT

The Lourdes Alcohol and Drug Education Prevention Team (ADEPT) works in conjunction with schools and community agencies to provide services to youth and families.

The Teen Intervene program of ADEPT is a three-session, individualized brief intervention program designed specifically for youth who are experiencing mild to moderate problems associated with alcohol or other drug use. The program provides education, support and guidance for teens and their parents. Through this brief intervention model of care, youth work one-on-one with a counselor to identify and change their choices and behaviors.

Ideal candidates for Teen Intervene are in grades 7-12. For more information, contact Scott Korn, 584-3111 or Scott.korn@lourdes.com or Erin Monroe, 584-3112 or Erin.monroe@lourdes.com.

Athletics

From the CV Athletic (Booster) Club

The CV Athletic Club is preparing for the upcoming school year. We'll be continuing our monthly meetings over the summer and are in process of our membership drive, fall sports program development, and creating a new web site!

This year will be again be offering the all-season Warrior Pass membership option. This pass allows access to any regular season home game where an admission fee is charged – excluding playoff games (STAC/sectionals, etc.) or tournaments. When presented at the ticket booth, the Warrior Pass will allow admission.

The Booster Club provides support for our athletic teams in a variety of ways. This past year, membership and fundraising activities allowed the Club to support many financial requests, including windshirts for the golf team, a training aid for volleyball, and a functional trainer for the weight room.

We are also proud that the Booster Club was able to continue the traditions of providing four \$250 awards to selected seniors, contributing to lacrosse, sponsoring awards nights, and providing other clubs with fundraising opportunities.

On the next page of this Newscaster is the CVAC (Booster Club) membership form. Please take a moment to become a member. Your membership helps to support CV sports teams and related activities. Your membership really does count, and we cannot support our athletic community without your involvement and membership.

Thank you, and have a great summer.

Mike Distin
President
CVAC (Booster Club)

Two sign letters of intent for athletic scholarships

Seniors Kelsey Smith and Brian Ball recently signed letters of intent indicating their acceptance of athletic scholarships. Kelsey has accepted a scholarship for the LeMoyné College swim team, and Brian accepted a scholarship to play lacrosse at Roberts Wesleyan College. A reception for both was held in the High School library, where family, friends, coaches and teammates gathered to offer their congratulations.

Kelsey Smith is joined by her family as she signs her scholarship letter for the LeMoyné College swim team.

Brian Ball signs his letter of intent for the Roberts Wesleyan College lacrosse team as his family looks on.

David Trudeau earns STAC championship

Congratulations to senior David Trudeau, who recently won the STAC conference championship in the 400-meter dash.

David has been a standout on the boys track team and will attend BCC this fall.

Keep on running, David!

Matt Personius named WBNG-TV Academic All-Star

Senior Matt Personius was named a WBNG-TV Academic All-Star in May.

A star member of the CV baseball team, Matt has set the school's all-time career records for stolen bases and triples.

He plans to attend SUNY-Cortland this fall to study physics.

Coaches vs. Cancer raises funds for a worthy cause

The CV lacrosse team led the effort by all of our spring sports teams in raising money for the American Cancer Society. The "Coaches vs. Cancer" program collected donations at several CV athletic events and players sold the wristband shown at right.

In the photo above, the varsity lacrosse team held up signs during halftime of a recent game to spell "Together we can help fight cancer. Please donate."

Baggataway 2014

The American Indian term Baggataway translates into "great gathering of lacrosse." Just as the founding fathers did long before European settlement of America, the CV lacrosse community came together on a beautiful Saturday to celebrate the "creator's game." Activities kicked off with the second annual youth clinic, where players from all youth levels, K-2, 3-4 & 5-6 were tutored by active varsity players and alumni coaches.

At the end of the session Cam Fedish and Kyle Moyer spoke to participants about their experiences playing in and winning the NCAA Division II National Championship in 2013 as part of the LeMoyne Dolphins lacrosse squad. Participants also heard from special guest Matthew Pratt, a Chenango Forks graduate who won two NJCAA Championships at Onondaga Community College before playing for Syracuse University, where he was in the 2013 National Championship. Matt shared his advice to young players about following their dreams and never giving up, and reminded them that there is always someone else out there working just as hard as you, who wants the same thing. The day concluded with the second semi-annual CV Lacrosse Alumni game. Former players from across the history of CV's teams participated, with the game being decided in overtime.

I would like to extend a personal thanks to all the alumni and active players who helped work throughout the day. But most important, I'd like to thank the parents and the young players for not only participating in our event but for being involved in CV's program. It is because of our strong youth-based program that our athletic teams can continue to compete in the ever-competitive Section IV. I encourage all players, young and old, to work the wall during your off-season and look forward to seeing everyone next school year.

Ice Cream Social & Band Concert brings CV community together

The CV Music Department and the The BaCh of CV extend their thanks to the CV community for supporting the annual Ice Cream Social and Band Concert.

Families and friends relaxed on the back lawn of the high school and enjoyed an evening of wonderful music and ice cream treats. Providing musical entertainment were the very talented students in the Chenango Bridge Elementary fifth and sixth grade combined Concert Band, and the Middle School and High School Concert Bands.

A "Triple Scoop of Thanks" goes out to all our hard-working volunteers, those who contributed baked goods, the custodial staff, and those who pitched in at a moment's notice. You all worked tirelessly to help make the evening run smoothly. Your wonderful teamwork that made for a successful event!

The "Bottles for BaCh" bottle/can collection program at concerts has been a success and will be continued throughout the next school year. There is also a new BaCh collection box located in the High School parking lot. (See page 23.) Thank you for your donations!

HS Choir performs at Darien Lake Festival

The High School Choir warmed up before a performance at the Darien Lake Music Festival on May 10. The choir received a rating of Gold with Distinction and an average rating of 95/100 from the two judges. Senior baritone Devon Harris received the Outstanding Soloist in the HS Choral Category.

Students' veteran-themed art in Broome County building

Legislators Stephen Flagg, District 1, left, and Jerry Marinich, District 10, right, stand in front of CV students' artwork on display in the County Office Building.

A Veterans of Distinction ceremony was held May 15 at the offices of the Broome County Legislature to unveil veteran-themed artwork created by local students. Students in Ms. Krawczyk's eighth grade art class along with one eleventh-grader participated in the event. The artwork will be on display in the legislative conference room throughout the summer.

Students contributing were: Allen Doan - grade 8, Amathyst Baker - grade 8, Cora French - grade 8, Linsey Reardon - grade 8, Kristen Reistetter - grade 11, and Craig Salzman, grade 8.

Student heads to Europe for music

CV student Ruth Crissman, pictured at right, will spend two and a half weeks in Europe this summer as part of the American Music Abroad program.

Ruth will visit Germany, Austria and the Czech Republic.

As you can see, the rain didn't dampen Port Dickinson's patriotic spirit for the annual Flag Day celebration. The entire school gathered in the gymnasium to sing several songs and salute our nation's flag.

Chenango Bridge Elementary

Tamara Ivan, principal

It's hard to believe that the 2013-2014 school year is over. What a year it has been! From learning a new way of thinking about math to exploring the universe in the Digital Dome, we have kept a strong academic focus. We continued to promote programs such as Olweus, the Mileage Club and the Reading Promise while forming new activities as well.

The entire staff of Chenango Bridge would like to wish our sixth grade students who will be the CV High School graduating class of 2020 the best as they venture on to middle school. I would also like to recognize and thank our retiring staff members: Mrs. Latopolski - social worker, Ms. Keene - grade six classroom teacher, Mrs. Weisel - grade five special education, Mrs. Crowle - music teacher, and Mrs. Walker and Mrs. Zigmont - aides. Each of them will be deeply missed for their dedication to and support of all students.

It is also important to thank all of the many volunteers, especially the CB PTA for their continued support and generosity. Many of our programs would not be possible without their help. Finally, I would like to thank all of the wonderful students and families I have met as the principal at Chenango Bridge. It has truly been a privilege to get to know and work with you. I look forward to continuing to do so as the Director of Curriculum. I hope you all have a restful, enjoyable summer, and I am sure you will all give a warm welcome to Mrs. Hammond, who will soon take over as principal.

Wax Museum brings historical figures to life

In two lively performances, fourth-graders from Mrs. Vesci's and Mrs. Walsh's classes brought famous people from history to life in the annual Wax Museum show. Students portrayed such figures as Babe Ruth, Marilyn Monroe, Harry Houdini, Elvis, King Tut and George Washington. Each student dressed as their selected person and gave a brief summary of the person's life. The show was tied together with dancing, music and jokes. The Wax Museum is the culminating activity in the students' biography research project, which is part of their ELA curriculum.

Math fun helps students prepare

The entire fourth grade enjoyed a unique way to get ready for their state math exams.

Teachers had the students wear different word problems on their shirts, then search out the classmates wearing the same problem to form a team. In teams, they worked to solve the multi-step problems.

Drum Circle time

After reading "Walk Two Moons" by Sharon Creech, students from Mrs. Zanol's 5th grade class had a fun time re-creating a Native American Drum Circle with Mrs. Crowle in music class.

Chenango Bridge Elementary

Continuing a B-Mets game tradition

Members of the Chenango Bridge Elementary School Chorus, under the direction of Mrs. Crowle, sang the National Anthem at the Binghamton Mets game on May 9. This was the 17th year that a CB Chorus sang the Star Spangled Banner for a B-Mets game!

Science Fair, Art Show & Basket Raffle

It's billed as Chenango Bridge Elementary's biggest event of the year, and it certainly didn't disappoint this year. The school's annual Science Fair had 268 participants, along with many others who had artwork on display in the hallway Art Show. The basket raffle helped round out the event, which drew hundreds of students, parents and family members.

The Science Fair is mandatory for fifth- and sixth-graders and optional for fourth-graders. Mrs. Beylo teaches them the Scientific Method in January and February as part of Science Lab, and provides simple examples of projects they can do. Awards are not given, though all students receive a certificate of participation and a ribbon.

Baskets for the raffle were provided by each class, with proceeds going towards the end-of-year carnival. The raffle is run by Ms. Keene and the student government. The art show, run by Mrs. Cadden, displays many pieces of art the students have done in class. The PTA held a concession stand, offering pizza, drinks and snacks.

Learning the moves in Chess Club

The Chenango Bridge Chess Club met after school on late bus nights. The club, which includes boys and girls in grades four through six, typically runs from November through May. There is a beginners club and an experienced club. A March madness tournament every year in spring recognizes the top three students in each group.

The club, advised by Mr. Hazilla, also has an end-of-club party for all players. It's an enjoyable and educational experience for all students involved.

l-r: Damon Potter, Ethan Rogers, Caelynn Edwards. Ethan was champion of the Beginners Club.

l-r: Jim Hart, Brett Salzman, Colin Perney. Brett was champion of the Experienced Club for the 2nd year in a row!

Middle School Highlights:

Chenango Bridge sixth-graders visited the Middle School in early June for an orientation. The students had the opportunity to ask our eighth-graders questions and were then given a tour of the school.

Congratulations to the 47 students inducted into the National Junior Honor Society on June 11. Thank you to Mrs. Schmitz, advisor, for organizing the prestigious ceremony. A big thank you also to our Middle School Awards Committee; Mrs. Kresge, Mrs. Balles and Mr. Stanton for organizing the program.

I wish the eighth grade students much success as they enter their freshman year of high school. We also look forward to seeing the incoming seventh-graders and the returning eighth-graders at the Middle School Annual Picnic and Orientation on Monday, August 25 at 5 p.m. in the High School Auditorium. Student schedules and locker assignments will be handed out at the picnic.

I would like to sincerely thank the entire Middle School community for its continued support throughout the school year. I wish you and your family a safe and relaxing summer.

Upcoming Events in the Middle School:

- Friday, August 1 - Letters will be mailed home with Middle School information for the beginning of school.
- Monday, August 25 – Middle School Annual Picnic and Orientation – 5 p.m., High School Auditorium.
- Thursday, September 4 – First day of school.

47 inducted into National Junior Honor Society

Forty-seven new members were inducted into the Chenango Valley Chapter of the National Junior Honor Society on June 11. Members of the eighth grade class are inducted based on five ideals: scholarship, leadership, citizenship, service, and character, as demonstrated by academic achievement, extracurricular activities, and as reviewed by the faculty.

To be eligible for inclusion, students must have a cumulative GPA of 89.5 for seventh grade and for the first three quarters of eighth grade. To maintain standing in the School Chapter of the National Junior Honor Society, students must maintain the 89.5 cumulative GPA and complete 15 hours of community service.

The new members of the Junior Honor Society are:

Seventh-grader wins Earth Day t-shirt

Congratulations to seventh-grader Kendyll McMahon, who won first prize in county-wide Earth Day celebration t-shirt design contest. The contest, sponsored by the Earth Day Southern Tier organization, drew 85 entries.

Kendyll’s design was used to produce t-shirts that were sold at the Earth Fest event at SUNY Broome, and the t-shirts sold out. Kendyll created the design in Mr. Krause’s Computer 7 class.

Kendyll and her design are pictured at right.

High School

Terry Heller, principal

The 2013-14 school year has come and gone. Local and Regents exams are complete, and we had a tremendous graduation ceremony on June 27. I would like to thank everyone for a great year.

I hope everyone has a great summer vacation and I look forward to seeing the students, staff, and teachers in September. Relax and enjoy your vacation.

Yearbooks still available

If you missed the opportunity to purchase a 2014 or a 2013 CVHS yearbook, you're in luck! There are copies for both years that can still be purchased.

To purchase a copy, please contact advisor Chris Ruf at cruf@cvcasd.stier.org. But hurry, quantities are limited!

Students make 'Prom Promise'

As the school year came to a close, students participated in Students Against Destructive Decisions (SADD) activities designed to raise awareness of the consequences of drunk driving and other irresponsible behavior.

Senior Rachel Guth read a poem to her classmates about the dangers and possibly tragic outcomes of making destructive decisions. Students signed a poster in the school hallway, indicating their promise to make responsible choices.

Business donates \$500 to SADD

Local State Farm agent Jim Rollo donated \$500 to CV's SADD chapter after issuing a challenge to collect "likes" on his Facebook page. Mr. Rollo presented the check to student and staff representatives. L-r: Interim Asst. Superintendent Mary Beth Hammond, Denae Moyer, Emily Hammond, Olivia Trumino, Sonja Jensen, Jenny Kipp, Margaret Galatioto, Katie Ginalski, SADD advisor, Jim Rollo.

Spena wins typing contest -- again

For the second year in a row, senior Michael Spena won the typing competition coordinated by Mr. Krause in the business department. Runners-up included Jay Fehr, Leah Chamberlain, Melissa Greiner, Peter Jensen and Camryn Zaic.

It must be a family thing: Mike Spena's sister, Samantha, won the award two years ago.

Un Voyage à la France!

Twenty two students and four chaperones left Chenango Valley April 11 for a whirlwind visit to France. The first stop was a weekend in Paris, with a half day city tour of sights such as Sacré Coeur, Montmartre, the Champs Elysées and the Eiffel Tower. The next day, the students went to Normandy to tour the house and stunning gardens of the artist, Claude Monet. Many of Monet's paintings were inspired by these beautiful gardens. The culmination of the stay in Paris was dinner in the elegant Train Bleu restaurant in a large train station. Everyone gamely tried ravioli stuffed with small snails and the duck entrée!

The following day, the students boarded the TGV, France's high speed train, for a trip across France to the small city of Castres in the southwestern region called the Tarn. Each student and adult stayed with a host family for the remainder of the time in France. While CV was having spring recess, the students in France continued to attend school. The American students were invited to participate in a variety of classes such as English, Science, Spanish, French, and Physical Education at La Borde Basse, our partner high school in Castres. The high school has more than 2,000 students and occupies several buildings including dormitories. It has a university-type schedule where students only attend school when they have classes. The American students also enjoyed the delicious lunches prepared by the chef at the high school.

Kelsilyn Norman, grade 10, strikes a yoga pose with a fabulous backdrop for her physical education assignment.

A variety of field trips around the Tarn were led by the French teachers Ariane Rosenau, Sarah Refouni, and Clémentine Stunault, who run the exchange program at Borde Basse. Students found a trip to an organic farm, an ecologically sound enterprise, and the recycling plant, Tryfil, to be informative and a source of comparison to the United States. They also toured Toulouse, the largest city in the southwest, and Albi to see the Sainte Cécile cathedral and the Toulouse Lautrec museum. A highlight of the trip was visiting Carcassonne, arguably the largest castle in Europe still with people living within the fortified walls. The long Easter weekend was spent with families and many of the students had the opportunity to travel within France and to Spain.

The students returned to the U.S. April 25 after having made lifetime memories and establishing new friendships among the students and families in Castres. Travel arrangements and the Parisian tours were made by district resident Carolyn Waffle of Certified Travel. The chaperones and students would like to thank Mrs. Waffle for her help with booking the trip. The chaperones were Mrs. Amber Henyan, exchange director, Mrs. Joanne Terwilliger, Mrs. Karen Anderson, and Mrs. Sue Pierce.

Students say Yes! to peer education

Yes! Safe Choices for Kids is a youth leadership program focused on educating young people about the dangers of substance abuse. Approximately 35 CVHS students were involved in the program this year, under the guidance of advisor Mr. Stanton.

The program, founded by NYS Senator Thomas Libous, trains middle and high school students to serve as peer educators and positive role models for younger students. Sixteen of our student volunteers attended a recent Yes! banquet. Some of the attendees are pictured in the photo at left.

Hats off to the CVHS Class of 2014!
