

## Workplace Violence Prevention Policy Statement

### **Overview**

The District is committed to the safety and security of its employees. Workplace violence presents a serious threat to the safety of employees, students, parents/guardians, and visitors. The goal of this policy is to promote the safety and well-being of all people in the workplace.

Acts of violence against District employees where any work-related duty is performed will be thoroughly investigated and appropriate action will be taken. All employees are responsible for: creating an environment of mutual respect for each other, as well as students, parents/guardians, and visitors; following all applicable documents; and for assisting in maintaining a safe and secure work environment.

This workplace violence prevention policy was developed in consultation with all authorized employee representatives and is designed to meet the requirements of New York State Labor Law and highlights some of the elements that are found within the District's Workplace Violence Prevention Program (WVPP).

## **Prohibited Conduct**

The District prohibits workplace violence and will not tolerate violence, threats of violence, or intimidating conduct in the workplace.

## **Workplace Violence Prevention Advisory Committee**

The District will establish a Workplace Violence Prevention Advisory Committee that will meet periodically throughout the year. The purpose of the Workplace Violence Prevention Advisory Committee is to assist the District in coordinating its efforts to comply with its responsibilities related to workplace violence prevention, including overseeing the development and maintenance of the District's WVPP.

The Workplace Violence Prevention Advisory Committee will include:

- a) The Workplace Violence Prevention Coordinators;
- b) All authorized employee representatives;

It may also include one or more representatives from the following groups:

- a) District-wide school safety team;

## **Workplace Violence Prevention Coordinators**

The District has designated the following District employees to serve as its Workplace Violence Prevention Coordinators:

- \* Director of Athletics, Health & Physical Education/Assistant Principal  
Athletics Office – (607)762-6904
- \* Director of Facilities & Operations  
Facilities Office – (607)762-6860

The Workplace Violence Prevention Coordinators convene and coordinate the activities and plans of the Workplace Violence Prevention Advisory Committee. The Workplace Violence Prevention Coordinators are also responsible for answering employee questions about this policy and related materials, as well as receiving workplace violence incident reports.

#### Authorized Employee Representatives

The District must provide for employee participation in the WVPP through an authorized employee representative. Authorized employee representatives will participate on the Workplace Violence Prevention Advisory Committee. Authorized employee representatives have a right to, at a minimum, be involved in:

- a) Participating in the development and implementation of this policy.
- b) Evaluating the physical workplace environment to determine workplace violence risk factors.
- c) Developing the WVPP.
- d) Reviewing workplace violence incident reports at least once a year to identify trends in the types of incidents reported, if any.
- e) Evaluating the effectiveness of safeguards and actions taken to reduce the risk of workplace violence.
- f) Reporting violations of the District's WVPP.

#### **Reporting Workplace Violence**

The District has established and implemented a reporting system for incidents of workplace violence.

Any employee or authorized employee representative who becomes aware of a physical assault, threatening behavior, or verbal abuse in the workplace must immediately provide written notice of the facts and circumstances of the violent incident to a supervisor or the Workplace Violence Prevention Coordinator(s). If the report was provided to a supervisor, the supervisor must immediately forward the report to the Workplace Violence Prevention Coordinator(s).

If an employee witnesses or is involved in an incident of violence in which there is an immediate threat to the employee's safety, or the safety of others, or where a serious injury has occurred, the employee should immediately call 911 to obtain law enforcement and/or medical assistance. The employee should also immediately notify their immediate supervisor.

If an employee believes that either they or another employee are in imminent danger of workplace violence and reasonably believes, in good faith, that reporting to a supervisor or the Workplace Prevention Coordinator(s) would not result in corrective action, then the employee may report the violation directly to the Public Employee Safety and Health Bureau (PESH).

The District will immediately respond to all incidents of violence or threatening behavior upon notification. After the District receives notice, the District will be afforded a reasonable opportunity to correct the activity, policy, or practice.

If there is a developing pattern of workplace violence incidents which may involve criminal conduct or serious injury, the District will attempt to develop a protocol with the District Attorney or law enforcement to ensure that violent crimes committed against employees in the workplace are promptly investigated and appropriately prosecuted. The District will provide information on these protocols and contact information to employees who choose to file a criminal complaint after a workplace violence incident.

In addition to complying with the reporting requirements in this policy, District employees must comply with all other applicable reporting requirements contained in any District policy, regulation, procedure, collective bargaining agreement, or other document such as the District's Code of Conduct.

### **Inspections by the Commissioner of Labor**

#### At the Request of an Employee or Authorized Employee Representative

If, after being given notice and a reasonable opportunity to resolve the activity, policy, or practice, the matter has not been resolved and the employee or authorized employee representative still believes that a serious violation of the WVPP remains, or that an imminent danger exists, the employee or authorized employee representative may request an inspection by notifying the Commissioner of Labor of the alleged violation or danger. The notice and request will be in writing, describing with reasonable particularity the grounds for the notice, and be signed by the employee or authorized employee representative. A copy of the written notice will be provided by the Commissioner of Labor to the District or the person in charge no later than the time of inspection, except that on the request of the person giving the notice, the person's name and the names of individual employees or authorized employee representative will be withheld.

A District representative and an authorized employee representative will be given the opportunity to accompany the Commissioner of Labor during an inspection for the purpose of aiding the inspection. Where there is no authorized employee representative, the Commissioner of Labor will consult with a reasonable number of employees concerning matters of safety in the workplace.

The authority of the Commissioner of Labor to inspect a premises pursuant to an employee complaint will not be limited to the alleged violation contained in the complaint. The Commissioner of Labor may inspect any other area of the premises in which they have reason to believe that a serious violation of the workplace violence prevention law exists.

#### Initiated by the Commissioner of Labor

The Commissioner of Labor may inspect any premises occupied by the District if they have reason to believe that a violation of the workplace violence prevention law has occurred. The current PESH administrative plan will be used for the enforcement of the workplace violence prevention law, including a general schedule of inspection, which provides a rational administrative basis for the inspection.

### **Workplace Risk Evaluation and Developing a Workplace Violence Prevention Program (WVPP)**

The District will engage in a process of workplace risk evaluation designed to identify the risks of workplace violence to which employees could be exposed.

The District will then develop and implement a written WVPP to prevent, minimize, and respond to any workplace violence. The Workplace Violence Advisory Committee, which includes all authorized employee representatives, will oversee the development and maintenance of the WVPP. During the development process, the authorized employee representative(s) will provide input on those situations in the workplace that pose a threat of workplace violence.

The WVPP will include the following:

- a) A list of the risk factors identified in the workplace risk evaluation.
- b) The methods the District will use to prevent incidents of workplace violence. Examples include, but are not limited to:
  - 1. Making high-risk areas more visible to more people;
  - 2. Installing good external lighting;
  - 3. Using drop safes or other methods to minimize cash on hand;
  - 4. Posting signs stating that limited cash is on hand;
  - 5. Providing training in conflict resolution and nonviolent self-defense responses; and
  - 6. Establishing and implementing reporting systems for incidents of aggressive behavior.
- c) A hierarchy of controls to which the program will adhere as follows: engineering controls, work practice controls, and personal protective equipment (PPE).
- d) The methods and means by which the District will address each specific hazard identified in the workplace risk evaluation.
- e) A system designed and implemented by the District to report any workplace violence incidents that occur in the workplace. The reports must be in writing and maintained for the annual program review.
- f) A written outline or lesson plan for employee program training.
- g) A plan for program review and update on at least an annual basis. This review and update will detail any mitigating steps taken in response to any incident of workplace violence.

### **Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)**

The District will not take retaliatory action against any employee because the employee exercises any right accorded to them under this policy.

### **Training**

At the time of hire and annually thereafter, all employees will participate in the District's workplace violence prevention training program. Additionally, retraining is required for all employees any time there is a significant change to the WVPP, a newly identified risk factor, or a control measure addition.

### **Notification**

This policy will be posted where notices to employees are typically posted. A copy of the District's WVPP may be obtained by contacting the District's Workplace Violence Prevention Coordinators. The District will also make the WVPP available for reference to employees, authorized employee representatives, and the Commissioner of Labor in the work area.
