The Policy shall remain in full force and effect, but shall be amended by this Addendum as indicated below.

Organizational Procedures

Previously recognized activities, even if they do not follow the typical procedure, will continue to be recognized under this Addendum, unless decided otherwise by the Board of Education.

Good faith efforts should be made by those involved in the existing and formerly recognized extraclassroom activities to provide an up to date list of the current year’s officers.

Fund Personnel

The listed personnel will assist those extraclassroom activities which can remain active during the pandemic but only if the activities can operate safely.

Officers

Each extraclassroom activity, which is active during the pandemic shall elect officers; and shall update such list of officers as per the Policy.

Inactive Clubs and Leftover Funds

The obligation for the expenditure of leftover funds is suspended until determined otherwise by the Board of Education.
