

THE SENIOR NEWSLETTER

CHENANGO VALLEY SR. HIGH SCHOOL
ISSUE #5

GUIDANCE OFFICE
March 1, 2022

Dear Parents,

As spring fast approaches I'm sure your thoughts are turning to the end of the school year. This particular end of the year brings with it the graduating class of 2022. Most of our seniors have finalized their plans for next year. College, the service and the work force have all been discussed.

Having said that, we do have some seniors that have not been taking care of business. Whether it be meeting graduation requirements or finalizing plans, we have been discussing our concerns with them. I am writing to encourage that you speak with your senior if you have any concerns. Please don't hesitate to call your son or daughter's teachers or counselors with any questions. We all want to have a great end of the year and look forward to graduation.

Finally, this Newsletter and future ones include many scholarship opportunities. You can view all the Senior Newsletters online under High School and Guidance. If you have questions regarding scholarships don't hesitate to call the office.
